Principal: Mr Stuart Kitto
Governing Council Chairperson: Peter Miell
"What kind of a community do we want Tintinara Area School to be?" This is something that staff have been pondering this year. We have agreed to five attitudes that we want to encourage in each other and in our students, and at Monday night’s Governing Council meeting they were endorsed by our Governing Council. These attitudes build on each other, and we believe that they will help us to continually improve the quality of education experienced by our students.

We have agreed that: "Tintinara Area School is ... Aiming for Excellence; Collaborative; Supportive; Risk taking; Permission Giving. We will ‘Together Achieve Success.’"

We feel that each of these elements has something to contribute to the way we view ourselves and each other, and can be a reminder about how this school community can be most effective.

**Tintinara Area School is Aiming for Excellence**

We feel that it is important for us to remember that the purpose of our school is to help students achieve excellence. It is not to have a fun time, or a problem free time, but to help students achieve. (If we can enjoy ourselves along the way, then that makes it much easier to achieve excellence, but enjoyment is not why we are here.) This is not to expect that every student can be a genius, but for every student there is a level of achievement that comes when opportunities and effort coincide, and for every student this individual achievement is the excellence that we are aiming for.

**Tintinara Area School is Collaborative**

In the modern world it is important that children and young people learn how to work together and collaborate. As a staff team we know that when we work together and share problems and solutions we are more effective than when we try to work solely on our own. By working together we multiply our strengths and make it easier to provide consistency between classes, levels and teachers, as well as across years as teachers change.

**Tintinara Area School is Supportive**

We know that learning does not occur in a vacuum, but that members of our school community bring with them a host of experiences – some positive, and some negative – and it is important that everyone feels safe in this environment. Staff are more effective, parents are more comfortable, and students are better equipped to learn when their emotional needs are supported. We are committed to “Wellbeing for Learning” across our school.

**Tintinara Area School is Risk Taking**

We are fortunate that the children at our school have consistently achieved good results. I think this is because of the partnership between parents, staff and the wider community. If we don’t change anything, it is likely that we will continue to achieve good results. Unfortunately, if everyone else improves and we don’t, then we fall back to the pack. The only way to continue to stand out and give our kids the head start that we are capable of is to try new strategies and approaches. This means taking risks, because not everything we try will work first time. If we are serious about improving then we must be willing to risk making mistakes, because the mistakes are what we learn from. Mistakes are valuable learning opportunities which we are going to grab with both hands and make the most of.

**Tintinara Area School is Permission Giving**

Part of taking risks is giving permission to try things in new and different ways. We are in the envious position of being a well resourced school with experienced, skilled, high quality staff. As a leadership team we want to unleash these people and so we have agreed to find ways to say “yes.” When students or staff have an idea they want to run with we want to help them jump the hurdles that might crop up and prevent the idea from being a success. We want everyone to feel empowered and to have ownership of the learning that occurs in their classroom and in our school.
In 2012 we will Together Achieve Success. If you have any feedback on these attitudes please let me know. I can be contacted through the school’s reception desk on 8757 2120, or directly through email – stuart.kitto@tas.sa.edu.au.

GOVERNING COUNCIL REPORT

Chairperson – Peter Miell
Secretary - Lisa Sanders
Treasurer - Phil Seidel
Members
Gerald Keller
Brett Meyer
Bernie Brock
Peter Nelson
Naomi Stidiford
Steve Manning

Teacher Rep - Julianne Wandel

Attached to the back is a list of members phone & email addresses please detach and keep for reference.

Get to know what your Governing Council have been discussing

Meeting – Feb 13th

Discussion on the School Culture for 2012 – What sort of place do we want our school to be – we want it to be better!

Aiming for excellence, Atmosphere that is Supportive, Collaborative – learn from each other – all can throw ideas in. Agreement that we will learn together? Be risk taking - a way of going from a good school to great school. It’s ok to take risks and if something fails that’s ok - but how do we make it better. Permission giving - rather than saying NO and holding control be able to give a way ahead.

Asset Management report

Work that has been completed
Home Ec Rm –
- New lino and bench tops
- Year 5/6 Room – painted
- New bag racks and shelving
- Year 7/8 room - painted, new bag racks and cupboards in the corridor

Computer room –
- new benches for all computers

Work still to be done that has been budgeted for:
- Reclad exterior of building 10 including replacing the louver windows with aluminium windows.
- Old CPC room has been approved for removal
- Existing toilets to be converted to Disabled toilet – still waiting on that to be done.

Council approved the Student Free Day – Friday March 9th “How we teach and how we plan.” Focussing on Science. - Minister has approved 2 extra student free days for the year.

Pool – discussion on the future of pool management. If a sub committee could be set up to help organize opening times and liaise with Royal Life Saving committee to get Pool course up and running for the following season.
SCHOOL NEWS

Sunny Sun Safe: Early Childhood Prevention Program

On Monday 6th of February (week 2) we had George and Sunny visited the Reception to Year 4 students at school. They talked to us about being sun safe. Sunny (the puppet) wanted to go to the beach and as he was getting ready to go we had to help him figure out all the sun safe things needed for the beach. George chose a volunteer to put on sun safe objects that Sunny would need to wear. The lucky volunteer was Daniel Borchardt and he had to wear a hat, sunscreen, sun safe top and sunglasses.

To help us remember all the things we need to be sun safe we learnt a song called ‘I don’t like to burn’, which was easy to learn as it was to the tune of Hokey Pokey. Overall we enjoyed meeting George and Sunny. We all learnt new things and also were reminded of the importance of being safe in the sun so we don’t burn.

“I learnt that windburn is not real. The UV’s bounce off things like water and cement” Charlton Manning

“I liked the puppet and when he went ‘aaah’ when we woke him up” Thyeshya Grant

“I learnt that you have to put sunscreen on 24 minutes before you go out” Harry Mould

“I liked when Daniel had to put on all the clothing” Jaden Ward

“I liked how he did a puppet show” Matilda Hawkes

Junior School Awards

Reception:
Matilda Hawkes: for being a good leader.
Logan Whitford: for being organised and packing his bag independently

Year 1/2
Sarah Gibbs: Consistent effort in all areas.
Mitchell Tonkin: Listening to instructions closely.

Year 3/4
James Parker: Positive attitude to school.
Libby Miell: Following class golden rules and working hard.

Year 5/6
Angelica Omega: Wonderful creative writing
Brandon Nicolle: Extra effort in Maths

ICAS ~ International Competitions and Assessments for Schools.

**Literature:**
- *Good reading*
- *The Literature base*
- *Magpies: talking about books for children*
On Friday 10th of February many of our students aged 8 years and above participated in the annual swimming carnival held at the Keith pool. Although rain and cooler weather threatened, competitors were keen to begin the competition and do their best for their respective teams.

It was great to see some really good sportsmanship throughout the day, with competitors encouraging each other to finish their races. The House Captains and Vice Captains also did a great job setting an example for other students and helping with organising relay teams and novelty events.

Despite the fact that no records were broken on the day there were some great individual performances. Congratulations must go to all of the students who had a go and participated despite not being overly confident swimmers. Hopefully the number of students participating will continue to grow in the future, particularly with some of our older students.

In terms of a team perspective it was again Messent who came out on top by a significant margin.

Thank you to all of the staff members for helping out with various duties on the day and to all of the parents, friends and other family members for coming and supporting our students, and in particular a very big thank you to all who helped with timing. Without this help such an event wouldn’t be possible.

Our next big swimming event will be the interschool carnival, which will again be held at the Coonalpyn pool on Monday 20th of February. It would be great to see as many supporters there as possible.

Ben Holbrook (PE Teacher/Sports Coordinator)

INVITATION

Are you interested in an informal daytime sewing circle in Tintinara?

The group would meet once a week on a day yet to be determined. Each person works on their own project or together with others your choice. Or just come for a natter and a cuppa. Possibly held in the CWA Hall.
Contact Kimandra Robertson-Mowles on (08) 73243735 for more details.

With high cholesterol, high blood pressure, obesity, Type 2 diabetes, muscle pain and more health issues on the rise more and more research is pointing to healthy eating and to ..........GET MOVING.

**Core Dynamix Fitness** holds fitness sessions in Tintinara every Tuesday at 5.30 pm and 6.00pm. Thursday mornings is a session at the oval at 6.30 am.

All sessions are adaptable for individual ability and most is timed so you do exercise at your own pace.

A qualified personal trainer leads each session and every week is different from the week before.

---

**Take off.....**

**6 week comp**

- Secret participant number
- No public weights & measures
- Weekly weigh ins
- Emailed leaderboard
- Accountability points
- Personal booklet
- $30 for 6 weeks

**WINNER:**
5 weeks FREE fitness sessions

A fun, accountable way of changing current lifestyle habits into a rocket blasting better you

For further enquiries: Bronwyn Cadzow 0448 140 866 McBain St Keith

---

**Wanted**

Second hand sliding door and Various aluminium windows Phone Simon 87572098 or 0407 453 358

The Murray Mallee Community Education Network are seeking expressions of interest for the following classes in the Tintinara area:

**Woodwork Classes** - Learn how to make furniture.

**Art classes**- Have started Monday nights 6.30pm to 9.30pm, $8.00 per lesson, Art Room at Tintinara Area School, everyone welcome.

**Yoga** - At Coonalpyn Thursday morning 10am to 11.30am, at the Supper room at the Coonalpyn Hall

If you have any ideas for classes you would like available in Tintinara please phone Patsy Crabb 87572194
Essentials For Coaching Children

A brief, practical, survival course for coaches!

Topics covered include:

**Coaching Children**
- Why do children play sport?
- What makes a good coach?
- Helping children deal with winning and losing
- Respect for umpires / officials

**Making the Most of your Training Time**
- Planning different types of training
- Organising and grouping children
- Teaching skills and game play

**Getting the Best from your Players**
- Team building
- Providing feedback
- Preventing and managing behaviour problems
- Working with parents
- Place for awards / medals

**Where to from Here**
- Developing a greater knowledge of your sport
- Coaching pathways

**Additional Information**
- Course length 3 hours - can include practical and theory
- Can be tailored to your needs
- Certificate of completion for participants
- No assessment required following the course
- Helpful introduction (but not a pre-requisite) to Level One courses in your sport

Murray Mallee Community Health is promoting Essentials for Coaching Children, it is a brief, practical, survival course for coaches presented by the Office for Recreation and Sport. Most courses are held in metropolitan Adelaide and we are encouraging interested parties to register their contact details so we can submit an application for this course and similar to be held in Murray Bridge.
KYTONS FUNDRAISER  EASTER 2012

Your purchase is supporting  Lutheran Church Tintinara

Your order will be available on  3rd April 2012

Kytoms buns are delivered fresh and contain no preservatives. May be stored in freezer to maintain long term freshness.
