Welcome to the 2016 school year which has been off to a smooth start; for those of you new to the school (like me!) I hope you find Tintinara Area School as welcoming as I have found it. I must also acknowledge the work of students, staff and parents to make last year a success, every student who finished their final year attained their sought goal as a result of their studies at Tintinara Area School.

Presentation night was thoroughly enjoyable and illustrated to me that our students are very capable and community minded. I hope to build on our past successes and continue to improve learning outcomes for students.

I would like to thank the Coorong District Council who managed to assist us in upgrading the carparks outside the front of the school. These parks have been designed so you do not need to reverse onto the road when leaving, resulting in a safer traffic environment out the front of our school.

As I have visited classes it has been great to see students engaged in the learning with staff who have a reputation for going the extra mile. Students who regularly attend school and are engaged in their learning are more likely to succeed. I encourage you to notify us of planned absences and consider your child’s educational outcomes when you have a 50/50 decision to make about whether they attend school. Your support will help us to ensure your child receives the best education possible.

I’d especially like to thank the parents and community members who have stopped in for a conversation or said “G’day” down the street and wish everyone the best for 2016.

Mike Sadleir
Mike Sadleir

I grew up in the Adelaide Hills where my family owned a small garage; I think this is why I enjoy working on my 1970s Moto Guzzi motorcycles. Working with my father as a child has left its mark and reminds me of the unconscious influence parents and teachers have on their children/students. The location also afforded me an opportunity to work with horses, sheep and cattle so when I was asked to teach a Semester of Ag at Riverton and District High School it was easy to say “yes”. After Riverton, I spent time at Trinity College Gawler, Smithfield Plains, Blackwood and Henley High Schools. During this time I held various Leadership positions from Mentoring Program Leader and Coordinator to Assistant Principal. My enthusiasm for good curriculum design led to my involvement with the International Baccalaureate Educator Network where I supported the program delivering professional development to teachers and leaders. Academically, I hold a B.Sc(Ma&CompSci)(Hons) in Applied Mathematics, a GradDipEd and a Masters of Business Administration. I’m looking forward to joining the community and using my skills to maintain the focus on learning outcomes for all students.

Dylan Carter

My name is Dylan Carter and I am the new Health and Physical Education teacher at Tintinara Area School. It has been a great transition moving to such a lovely town and I am excited for what the year has in store for me. I grew up in the small country town of Mallala and completed all my schooling in Balaklava. I am a keen sportsman who loves anything to do with sport. I have had the luxury of playing country footy all my life and will be continuing that at Tintinara this season. When I get a spare moment I like to travel, which has something that I have been lucky enough to do, recently getting back from a 3 month holiday backpacking through Europe. I am a big fan of music (Triple J) and try and get to as many gigs as possible. I have already felt so welcome in the short time I have lived in Tintinara and I look forward to involving myself in the community and getting to know the staff, students and parents/caregivers as the year progresses.

Liz Koch

Hi my name is Miss Koch (Liz). I look forward to getting to know everyone at Tintinara Area School. I have taught at a number of different schools, the last being Raukkan. I have worked in a variety of capacities and with different age groups. I enjoy bike riding, walking, bird watching, reading and photography. I enjoy travelling around Australia and at times overseas. I have a brother (Pastor Tim and Yolette) and his family in Murray Bridge and another brother (Robert and Rosie) and his family in Adelaide, along with my mother. I have a sister (Ruth and Martin) and her family in Willaura. My sister has been blessed with a new baby granddaughter just before Christmas.
Alana Schreiber

My name is Alana Schreiber and I am the SSO in the Preschool this year. I live in Tintinara with my husband and two small children and am very excited to be back in the work force. I have previously worked in Administration, Family Day Care and Child Care Centres both in the City and Keith. So far I am enjoying the new friendly environment and look forward to helping the children prepare for their first year of Foundation.

Introducing Kate Morris

Hi everyone. While I realise I have been around a while and most of you know me through my involvement as a parent and a relief teacher, I would like to detail my current role this year and any relevant qualifications and experience.

I am taking both Agriculture (7/8 class this semester, 9/10 next semester) and Integrated Learning (years 7-10 throughout the year) and PLP (personal learning plan with the year 10s). I am working 0.4 over three days at Tintinara (Tuesday, Wednesday and Friday) and on Thursdays (except when this job has a need of me) I will be teaching upper primary at Coonalpyn primary School.

My background is;

I grew up on a local family farm here near Culburra which I was involved with on and off until it was sold about 10 years ago. After year 12 and then a year working on farm and in the local shearing sheds, I studied a Bachelor of Agricultural Science at Adelaide University (Waite campus). I then worked in the agricultural services and extension industry over a period of 10 years plus, including experience in soil survey, irrigation scheduling, landcare, saltland pasture and pasture agronomy.

When I was working in The Upper South East as Catchment Agronomist I completed a Graduate Diploma in Education (Agriculture and Middle School Science) externally through the University of New England. Back then the correspondence course was all paper-based.

More recently I have been doing a variety of contract and relief teacher work. I have worked over most years from lower primary through secondary, which I think has given me a wide range of skills.

I have also completed a Master of History externally through the University of New England. This time I had to up-skill myself with technology for the fully online course.

My husband of many years, Carl, I and our two children live in the town of Tintinara and we love it. Both boys are still here at the local school. I am fully committed to achieving good, engaging learning outcomes for the students I teach.
Home Economics

The Home Economics centre is close to being finished. It is expected the building works will soon be completed and an opening organised for March.

Gema Harvey and Keith Harkness are preparing a stove for the electricians to install.

Students cleaning and preparing the Centre for classes.
Twenty one students are beginning their year in Foundation this term. We have spent the first week becoming comfortable with our new classroom and routines. The students appear to be a very calm group of children and have come from Preschool with lots of the skills they need to be really active learners.

We have a new name for the first year of school. What we all knew as Reception is now called…. Foundation. This is in line with the terminology used in the Australia Curriculum. ‘Foundation’ also indicates that much of the learning that happens in this year forms the basis for the remainder of their school life and beyond.

We are looking forward to a wonderful year of learning and fun!

Our new Foundation students:

Head Lice Detected
We have been informed that Head Lice has been detected in the School. Would you please check your child’s head to establish whether or not he/she has become infected?
If you detect active Head Lice or Nits your child/children may return to school after the treatment has commenced. Please ensure the full course of treatment is applied so as to prevent re-infection. If you require any further assistance, please contact the School.

2015 Presentation Night DVD
If you would like to purchase a copy of the 2015 Presentation Night DVD for $20, please contact the Front Office.

Reminder:
The weather is warming up this week, so please remind your child/children to pack their hats and waterbottles. No hats, no play!

Attendance Reminder:
If your child is absent please remember to contact the School. If it is a planned absence please fill in a Student Absence Form, attached to the back of this newsletter. If it is an unplanned absence please contact the School on the day via a phonecall on 8757 2120 or text on 0488 535 079. A Student Absence form is still required to be filled out and given to the Front Office on the child’s return, or a note in the child’s diary. If a longer absence is planned an Exemption form will need to be completed and approved by the Principal. This Exemption Form can be obtained from the Front Office. If you have any queries, please don’t hesitate to contact the School.

Buses:
As with Student Absence Forms, there is also a Bus Absence Form. If your child usually travels on the bus and planned changes are to take place, please fill in the Bus Absence Form, attached to the back of this Newsletter, or a diary note. If an unplanned change occurs, please contact the Front Office via phone on 8757 2120 or text 0488 535 079 and advise of the changes before 3pm. If your child doesn’t usually catch the bus, or needs to catch a different bus from their usual route a “Permission for Transport of Ineligible Students on a School Bus” form needs to be completed and approved by the Principal. If you require one of these forms, please contact the Front Office.
Should you have any queries, please contact Courtney Manning our Bus Coordinator.

Lunch Orders
Lunch Orders can be purchased daily from Café Tinti. Attached to this newsletter, is their latest price list. If you wish to purchase a lunch order, lunch bags are available from the Front Office for 5c each or 20 for $1.00.

Wanted for Junior School Design
Students require items for the making box to use in their design tasks throughout the Junior School and ask the community to assist by collecting the following and delivering to school:
- cardboard boxes (cereal, biscuit, tea etc. but not large cartons)
- clean plastic food containers (biscuit trays, ice cream containers etc.)
- cardboard rolls (gladwrap but not toilet rolls)
- material scraps
- old wrapping paper and cards
- wool, ribbon
- anything that can be used to make design models
However please no glass or sharp edges!

Ag Department
We are seeking donations of oat seed for sowing into the Ag Block paddocks. This area is approximately 2.5Ha.
We are also seeking any donations of hay and other grains to feed the sheep to be entered into the Royal Adelaide Show School’s Merino Wethers competition.
Please contact Kate Morris at the school if you are able to help us out.
1st February 2016

Dear Sir / Madam

SAPSASA (South Australian Primary Schools Amateur Sports Association) is an organisation whose emphasis in sport is on enjoyment, participation, competition and social interaction. Students’ participation in SAPSASA Carnivals / Championships promotes skill development and allows children to experience competition outside the local district.

The Murray Mallee SAPSASA District is seeking sponsorship for its red hooded jackets. Once again we propose to have all district participants wearing them and they are a great memento of their selection. We are aiming to raise enough money to subsidise their cost. Any extra money will be spent on updating uniforms and equipment. As a sponsor, your club or business name will appear on the jackets and will also be printed in your local school’s newsletter. As we are acknowledging your sponsorship publicly, tax laws require Murray Mallee SAPSASA to pay one eleventh of the sponsorship money collected to the Australian Tax Office.

The sports our area participates in are tennis, softball, cricket, netball, football, swimming, athletics, cross country and golf.

Members of our SAPSASA teams are selected from the ten affiliated schools in the Murray Mallee District. These schools are:

- Coomandook Area
- East Murray Area
- Karoonda Area
- Meningie Area
- Raukkan Aboriginal
- Coonalpyn Primary
- Geranium Primary
- Lameroo Regional
- Pinnaroo Primary
- Tintinara Area

Any donation, made payable to East Murray Area School, would be greatly appreciated. We need to have all donations by Friday, 26th February to ensure that sponsors’ names can be included on the jackets. Please complete the attached form and return it with your sponsorship donation to either your local school or to me.

Please do not hesitate to contact me if you have any queries. Thank you for your anticipated support.

Yours sincerely

Krystina Durdin
Name of Club/Business: _______________________________________

Business Address: __________________________________________

Business Phone: ____________________________

Our club/business is happy to donate: $____________ to the Murray Mallee SAPSASA District for sponsorship of their red jackets.

We would like the following name printed on them:

Catch the savings bug
Bendigo Student Banking

Whether it’s for the latest craze in computer games, for a new bike or just for a rainy day, we all know it’s never too early for our kids to start learning about budgeting and saving.

That’s why at Bendigo Bank we’ve introduced our Student Banking Program and Bendigo PiggySaver Account – perfect for primary school aged savers to catch the saving bug.

We are pleased to offer student banking for primary school and kindergarten students on the 1st Tuesday of each month during the school year.

Bendigo and Adelaide Bank Limited. ABN 11 068 049 178. AFSL 237879. SCH17 (290389_v3) (5/02/2016)
