### DIARY DATES

Dates can be subject to change; please check each newsletter issue to ensure you have current information.

#### TERM 2

- **July**
  - 1st - Breakfast Club
  - R-6 Learning Journeys
  - 10:50am-11:30am
    - Year 1/2 Class Deirdre Duffy
  - 11:30am-12:15pm
    - Preschool Michelle Desmazures
  - 12:15pm-1:00pm
    - Reception/Year 1 Class Nerida Schulz and Mark Bennett
  - 1:40pm-2:25pm
    - Year 3/4 Class Jacqui Vandeleur and Julianne Wandel
  - 2:25pm-3:10pm
    - Year 5/6 Class Karen Schilling
  - 3rd - Breakfast Club
  - 2:15pm dismissal

- **Term 3**
  - 20th - First Day Term 3
  - 22nd - School Photos
  - 27-29th - Secondary Camp
  - 28th - USE Mixed Netball
  - 10-12th - Outdoor Ed Camp
  - 10th - Governing Council Meeting
  - 11th - World of Maths Day R-10
  - 12th - ICAS English
  - 3rd - SAPSASA Golf try outs at Murray Bridge
  - 14th - Combined Student Free Day
  - 20th - USE Soccer at Coomandook

---

### Principal’s Report

#### Facilities Update

After several years of work, with numerous revisions and adjustments to plans, our upgraded Ag facilities are finally starting to appear. Visitors to the rear of the school will see that a shed has risen. We expect that the fitout of this space will be completed before students return next term. This facility will provide a more efficient space for students to work with animals, and has been designed so as to maximise flexibility – I am confident that whatever direction our Ag, Integrated Learning and Enterprise Curriculum develops over the next decade this will provide a safe and comfortable workspace.

#### Farewell to Michelle

For the last three years our school has had Michelle Raper cleaning up after our children. She has arrived early in the afternoon and ensured that by the time she leaves our floors are clean and tidy, our benches hygienic and our toilets shiny. Unfortunately for us new opportunities have opened up nearer to her home, and so the time has come to say farewell. We will miss her flexibility, feedback and her smiling face.

---

### Last day of Term 2 – Early Dismissal Reminder

Last day of term – this Friday 3rd July – students will be dismissed an hour early – 2:15pm. Bus schedules will be adjusted by one hour also to allow for this.

### Soup Day – Friday 3rd July 1pm

As a part of the Year 3/4s current learning in Maths, they will be holding a Soup Day on the last day of term. There will be four different soups available – Pumpkin; Potato and Leek; Cauliflower; and Vegetable.

The class have integrated this into their Maths learning with Measurement and Money – walking down to Foodworks as a class and pricing all the ingredients, then working out how much they need to charge per cup to cover costs.

**WHEN:** Friday 3rd July 2015  
**TIME:** 1pm (start of lunch)  
**WHERE:** Home Ec Room  
**COST:** $1 per cup. Students are able to bring their own plastic mug if they like, otherwise there will be disposable cups provided.
Sustainable IT for the future
We welcomed David Kendrick to discuss the future I.T. needs of TAS and more specifically the use and supply of laptops to the students. Some computers are ending their lifespan, and therefore there is a need to upgrade. We are currently discussing various options including charging a bond for each laptop which will remain with the student over their secondary schooling or the ability to supply a laptop from home, although server issues, security policies and software can then become a problem. The Governing Council is seeking feedback from families to gain an idea of what would be reasonable access to sustainable IT and how to best meet our students needs. We encourage families to raise any ideas or suggestions they may have with a member of Governing Council to bring for discussion at the next meeting. Governing Council members: Jed Keller, Steve Manning, Kate Morris, Phil Seidel, Scott Schulz, Susie Croser, Sally Morgan, Julianne Wandel & Ali Vowles

Principal's Report
Tintinara Area School has had a 10% increase in student numbers since the start of the year. Recently, staff participated in training with the Murray Regional Office on how to work to accommodate the entire class needs when we have children with varying disabilities. Tintinara Area School is within the state average of 10% of students with disabilities. We are looking at how to support staff to meet these needs.
Stuart spoke of the increased demand for him to attend School partnership meetings with other schools in our area. Much of this work has been done in the past 18 months to establish the partnership. Although internet conferencing would be preferred, the technology is not up to speed at this time to do so.

The Ag Shed Update – waiting in anticipation for trucks to arrive along with a crane to accept delivery of the shed and start construction.

The School AGM will be week 6 of term 4, Monday 16 November so that we can have the formalities done by the end of 2014 and be able to get off to a flying start come February 2015.

Car parking - 2 permanent parks are being designated for short term use just in front of the main entry and the school is currently working with the Council to arrange signage for this and to relocate the disabled car park closer to the front gate.

Assets - Shade structure - is being looked into.
Home Ec - plan has been drafted for the interior refurbishment and has gone back for redrafting

Swimming Pool – We are currently looking at ways to provide greater community access to the pool for the upcoming season.

Adelaide Show student free day this year will coincide with the major judging day for animals. Thursday 10th September.

The Community Library AGM was held on Monday 15th June to discuss the upcoming community forum, finances and accessibility for Tintinara and Coonalpyn residents.

Wishing you all a safe and happy holiday!

Ali Vowles
for Governing Council
Spare Clothes
With the cooler months, we are finding some of the [younger] students are getting caught short and not quite making it to the toilet in time. We have a handful of spare clothes that we loan to students in this situation, but are finding that although they are labelled clearly with ‘Property of TAS’ they are still not being returned to the front office. If you find you have any of these school items at home, can you please send them in immediately as we currently have no spare items at the school.
If you are aware that your own child can get caught short in this situation regularly, it would be appreciated if you can send a spare set of labelled clothes in a plastic bag in their school bag so they aren’t relying on spare stocks here at school.
If anyone has any spare navy or black track pants in sizes 4 - 10 (suitable for girls or boys) that your own child/ren have grown out of that you are prepared to donate to the school for spare clothes, we’d really appreciate it if you can send them into the office. Thank you.

25kmph Speed Limit past the School
A number of vehicles have been noticed travelling past the school well over the speed limit of 25kmph during drop off and pick up time when there are children present. It is imperative for our children’s safety that you abide by this law; you would never forgive yourself if an accident were to occur that could have been avoided if you were travelling slower. Local Police have been notified, and will be patrolling the area at peak times to help keep our students safe.

Term 3 Breakfast Club
When: Every Monday, Wednesday and Friday
Where: Home Ec Room
Time: 8:30am until 8:45am
What: Toast with a choice of toppings and Cereal.
It is a free service and will be run by staff. Breakfast club is open to all students.
For more information please contact Mrs Duffy.

2015 School Photos
MSP Photographer – Frank Monger – will be visiting our school on Wednesday 22nd July for our annual School Photo session.
Envelopes for ordering were sent home with all students last week. If you would like a family photo taken, please drop into the front office and grab a family envelope.
If you would like to place an order for photos, forms with money need to be passed back to your classroom teacher on or before photo day. Any orders received after this will incur a late order fee, and contact must be made directly with the photographer.
All students will be having an individual and class photo regardless of whether parents order prints or not; family photos will only be taken for those that place an order. The individual and class photos are used by the school throughout the year, and in our school magazine at the end of the year.
As you will see, there are various options for payment of the photos. Please follow the instructions on the photo envelope. Please note that for family photos, only students that are attending Tintinara Area School/Preschool are able to be included in this photo (ie no younger/older siblings or parents can be accommodated in these photos).
Please note that students are required to wear full uniform for the day – with the Rugby Jumper (not the polar fleece). Please ensure their uniform is clean and neat. If you require any new uniform, we do have stocks of most sizes in the office for sale.
If you have any questions regarding this process, please contact the Front Office.
Students in Years nine and ten were visited by the dynamic United Nations Youth Team on Thursday 25th June. In a short time, students shared ideas about a range of issues facing young people. Following up immediately after their final exam, the session carried over across lunch-time and was a chance for everyone to talk about what issues matter and what young people can do. Some really good ideas emerged. Marijo Richards and Joy Omega attended the United Nations Youth camp earlier this year and the school has ongoing contact with the UN youth programs.

Ms Rohan

Students experience:
On Thursday 25th June 2015 the United Nations Youth Delegates came to school so they could give the Year 9/10 students a talk about global issues. Three were students from Adelaide University and Shay who travels around the world running the same program to people our age in different situations. He will travel to America to go to the world wide UN conference as the Australian advocate. He has talked to schools and juvenile detention centres with other UN participants from those regions, countries.

The first activity we did was an ice breaker; we played the game ‘Would you rather?’ This was lots of fun as we had random options.

We then moved on to the serious business. We each had to write one problem we wanted the world to fix. Some examples of those problems were homosexual rights, racism and mental health.

We then discussed a lot of different problems and wrote them on the white board. Once we had completed this, we got into small groups and chose a problem that currently occurs to people all around the world. We then had to write down how these problems affect people and the world. Once we had done this we wrote down solutions to these problems. After we finished this activity we discussed what we wrote down as a class. We each added our own opinions and got in to a heated discussion on particular problems around the world.

By Elsa Keller, Jaimie Doolan, Mitchell Coccio lone

Adelaide Repertory Theatre
I recently joined a theatre group called the Adelaide Repertory Theatre. The initial reason I joined this group was for a work experience placement, but was then invited to be more involved and to play a part in the whole production. The production I will be playing a part in is called The Cripple of Inishmaan. I wanted to fully commit my time to this company so I talked with Ms Rohan and Mrs Parsons about integrating it into more of my schooling.

I decided to fold this experience into a Community Studies subject. Community Studies is a subject where I am able to explore what is involved with preparing a production in depth.

I was hoping to collect some items that we can use for props. The main item I need is empty tin cans (baked beans, spaghetti, soup size). I have come up with an idea for a small raffle - with every empty (washed!) tin you donate to me you will earn a ticket in a raffle. Washed and dried tins can be left at the Front Office of the school in a plastic bag with your full name and contact number on it. Every clean tin will earn you a ticket in the raffle, which will be drawn on 28th August.

Thank you for your support with this request, I appreciate it.

Cherie Kennett
Year 10 student
Meet the Writers
On Wednesday 23rd June, students from Years 7 to 11 went to ‘Meet the Writers Festival’ in Adelaide. Students chose two authors from a list that they would then listen to. There were also two speakers who spoke at the beginning and the end of the festival to all the schools together. These two speakers were Fiona Wood and Nick Earls. Authors who students visited in small groups were: Phil Cummings; Jack Heath; Rosanne Hawke; and Greg Holfeld. Each of these speeches were interesting and funny. The speeches from the authors gave students an idea of what it takes to be a writer. They also talked about struggles becoming a published author.
All students then headed back to Tintinara, stopping at Murray Bridge for tea.
By Sophie Meyer, Nick Croser and Annabel Wanke

Work Experience
From 1st to the 5th of June, I had the incredible chance to do work experience at Patch Theatre in Norwood Adelaide. During the five days I spent at Patch Theatre, I had the amazing opportunity to work behind stage and learn what it is they actually do back stage before and during a performance. Throughout the five days I helped to build sets, fix props, and create the entire atmosphere for the short play: “The Cranky Bear”. The play “The Cranky Bear” is aimed at children from the ages of four to eight year olds. Though older children are invited to come along and see it as well.
I also had the chance to interview the actors and the director of the play. I learnt so much about what goes on behind stage and how props and different parts of the set are moved around during each scene. During my time at Patch I made great friends and felt a part of the team. I was even asked to come back again if they needed any help for future performances.
Overall it was a wonderful experience, and one that really gave me an insight into what I want to do for a career in the future.
By Marijo Richards

2015 National Australian Touring Season
This link is for anyone interested in booking a ticket to the play “The Cranky Bear”
Work Experience
From the 1st to the 5th of June I went to Unity College at Murray Bridge for my work experience. I was assigned to a Year 6 class and observed how their teachers taught the class. During that week, I was temporarily part of the staff and I was given a small space in the Middle School Office. I also completed tasks for teachers and helped some of the students during their lessons such as Maths.
My little desk in the office was my sanctuary at the start of the week as I was very shy. I ate my lunch at my desk and would write down more notes in my journal.
The teachers were very warm and welcoming and invited me to the staff room, but initially I didn’t have the courage to stay in the staff room for more than 10 seconds. The students were also very friendly and I befriended some of the Year 6s and caught up with some of Tinti’s previous students.
My week at Unity College was very fun and enjoyable. I made many observations from the teachers and discovered important skills needed to teach a class. I am sure that this experience will be able to help me in my path of becoming a teacher.

By Joy Omega

Learning Journeys

Learning journeys will occur on Wednesday the 1st July 2015 (week 10).

Families, friends and community members are welcome to come in and discover what each class has been learning about this term.

The schedule is as below:

Lesson 3 (10:50am-11:30am) - Year 1/2 Class Deirdre

Lesson 4 (11:30am-12:15pm) - Preschool Michelle

Lesson 5 (12:15pm-1:00pm) – Reception/Year 1 Class Nerida and Mark

LUNCH- 1:00pm-1:15pm Picnic - You are welcome to bring a packed lunch to share with your child during this time.

1:15-1:40pm - Play time - Please feel free to stay for a coffee or a cup of tea with our staff members. If younger siblings are at school please remember that it is your responsibility to look after them.

Lesson 6 (1:40-2:25) - Year 3/4 Class Jacqui and Julianne

Lesson 7 (2:25-3:10) - Year 5/6 Class Karen

We hope you come along and enjoy the experience!

Michelle, Mark, Nerida, Deirdre, Julianne, Jacqui, and Karen
During play based visits to the Preschool, Reception/1 students are able to build many social skills and dispositions. They practice manners, joining in with others, negotiating play spaces and sharing equipment. Language is meaningful and abundant. Sand and water play provides important sensory feedback to aid fine motor skills. Emotionally coping with conflict and feeling successful builds children’s emotional intelligence.

This is an integral part of the Transition process for Preschoolers as they work towards school next year.

Nerida Schulz, Mark Bennett & Michelle Desmazures
Congratulations – Alex Stidiford selected in National Under 16 Football Championships

We would like to take this opportunity to congratulate our past student Alex Stidiford on his recent selection into the 2015 State Under 16s Football side. The championships are being held on the Gold Coast and start on July 4th. We would like to wish Alex and his team all the best for the competition.

Ag News

Preschool students took a moment out of their busy timetable to visit the Goats currently being looked after by the Year 7/8 students for Ag.

Our long awaited Ag shed has finally been put in place! The students watched in awe as the crane lifted the roof onto the awaiting posts on Monday.
On Wednesday 17th June, the R-6 students were seen entering the gym as Pirates or Princesses! Our Term 2 R-6 social was in full swing by 3:30 with all students looking great in their respective costumes. A highlight of the evening was seeing the biggest and boldest princess of them all, Mr ‘Princess’ Kitto strut his stuff on the dance floor! The kids had a wonderful time and danced the time away. The SRC and staff all commented on the fantastic behaviour of the R-6 students and they should all be very proud of the way they conducted themselves whilst at the social. It was also pleasing to see many of the older students there assisting the younger members of our school with games and dancing.

Well done to all who came and danced, and to those who helped set up, work and clean up the event.

Jacqui Vandeleur
SRC Coordinator
Junior School student reflection from social

Everyone was nice at the social and had a great time. I liked spin the bottle, limbo, pirate hats and freeze.
Katelyn, Yr 6

I really enjoyed playing Limbo and musical dots. Lots of people got dressed up which was good. I enjoyed dancing with my friends and the younger children. Thank you SRC it was a lot of fun.
Lidia – Yr 5

I liked the game spin the bottle. It was fun to see all of the costumes. I really enjoyed the social.
Jessie – Yr 5

I went as an Ice Princess to the social. I liked the games but I did not play freeze.
Tara, Yr 5

The social was really cool. I liked the game spin the bottle and liked all the clothes that the kids wore.
Lameshia, Yr 6

The social was exciting with many people enjoying themselves.
James, Yr 6

The social was fun. There were cool costumes, cool dancing, fun comps and lots of fun had.
CJ, Yr 5

I loved how everyone was nice and dressed up. The social had lots of food and a variety of drinks.
Ebony, Yr 6

The social was enjoyable and I liked playing all of the different games.
Trinity, Yr 5

My favourite part of the social was hanging out with my friends. I also liked the games that we played. The music was cool and my favourite game was Limbo.
Tom, Yr 6

My favourite thing was talking to my friends and doing Limbo. There were lots of different foods to choose from.
Tyson, Yr 6

I really enjoyed the social and thought that it was set up really well and managed really well too. I liked the song choices the most because they were good fun to dance to.
Libby, Yr 6
On the 3rd of June the Tintinara SRC held the Secondary Interschool Social, with students attending from Lameroo, East-Murray, Coomandook and Tintinara. The theme of the social was “The Times” where students were allowed to dress up in any clothes from decades past. There were many awesome varying outfits ranging from the 50s, 70s right through to the 90s. To go with the awesome outfits I think everyone had a really enjoyable time dancing away to the music. A special thank you must go to Rob Bleasby who setup his equipment and was DJ for the night; to all SRC members who put in their spare time to setup; and especially to the teachers from all schools who accompanied students to supervise.

Thank you,

Hugo Keller
Maths
The Year 3/4 class have been looking at money this term. The class have decided to hold a Soup Day on the last day of term. First we needed to decide what types of soup that we want to make. The choices are pumpkin, potato and leek, cauliflower and vegetable soup. The next step was to get prices for all of the ingredients that we need, so last Thursday we walked down to Foodworks and found out how much all of the vegetables and ingredients will cost. Thank you to Mrs Meyer and Caitlyn for helping us with this.
The next step was to try to calculate the total cost for making enough soup for all of the students and staff. This was a lot harder than we thought. However we needed to know so that we know how much to charge, and decided that $1 per cup was a good price for homemade soup! The only calculator allowed is the one in our head, using our Maths strategies.
Technology
In Technology we have been learning about engineers in Australia and many of the things that they have designed to make our lives better. Our learning began with a video where two aliens crash landed their spaceship on Earth and met up with a robot who tells them about all sorts of interesting facts as they travel around Australia. We have also had some practical activities to learn more. Here are some photos of what we imagined their spaceship looked like before it crashed and an activity where we made elevators to examine gravity.

**The School Holiday Calendar is a Coorong District Council initiative, aimed to highlight all the things you can do as a family in our wonderful region. The calendar includes both suggested activities and also planned activities that you can register to participate in and enjoy as a family. Thank you to all the community groups and businesses who got on board to support this initiative. 😊**
Animal Photography Masterclass
for Secondary Students

Learn specialised animal photography methods and tricks of the trade from a long-time Zoos photographer, David Marriner

Choose a day from Monday to Friday,
July 27th to 31st, 2015

- Year 10 – 12 students (Specialist Year 9 photography groups will be considered. Give us a call.)
- $20.00 all inclusive (GST free)
- Animal Photography Masterclass, (116 Categories 1-4 DECQ or equivalent Catholic or Independent school)
- Teachers—FREE (1 free adult with 15 students or less. One additional free adult with more than 15 students)
- Book early to secure your place
- Numbers will be capped at a manageable level to maximise student learning.

For inquiries and bookings contact Adelaide Zoo Learning
08 8230 1258 or email at azes@zoossa.com.au

For further program information go to http://www.zoossa.com.au/zoo-learning-programs/photography-week/

Program

Program Dates: Every day from the 27th to 31st of July, 2015*

David Marriner will discuss techniques he uses to photograph animals within the unique zoo environment. David will also discuss his thoughts on turning a snapshot into a photograph you want to hang on your wall.

Zoo entry: The teacher will confirm student numbers at the Zoo Education window at Adelaide Zoo Main Gate so an invoice can be sent to school later for $20 per student ($10 discount price for Category 1.4 schools).

11:15am: Students explore the Zoo with their cameras, implementing the photographic strategies presented in the Masterclass.

Zoo Close: 5pm

*Note: If you have a large group and cannot attend in this week we may be able to negotiate another time. Give us a call to discuss.

Program

Program Dates: Every day from the 27th to 31st of July, 2015*

David Marriner will discuss techniques he uses to photograph animals within the unique zoo environment. David will also discuss his thoughts on turning a snapshot into a photograph you want to hang on your wall.

Zoo entry: The teacher will confirm student numbers at the Zoo Education window at Adelaide Zoo Main Gate so an invoice can be sent to school later for $20 per student ($10 discount price for Category 1.4 schools).

11:15am: Students explore the Zoo with their cameras, implementing the photographic strategies presented in the Masterclass.

Zoo Close: 5pm

*Note: If you have a large group and cannot attend in this week we may be able to negotiate another time. Give us a call to discuss.
