26th SAPSASA Athletics Championships in Adelaide
26-30th Footsteps
27th USE 5-a-side Soccer at Coomandook
Choir performing at H & R
30th Last Day Term Three

Principal’s Musings

On Friday the 12th of August our school hosted over 100 teachers and leaders from ten schools to share strategies to improve student learning outcomes. Sessions focused on lifting student achievement through understanding and interpreting PAT data.

Later this term students will be sitting PAT diagnostic tests which will help identify areas of strength and where we need to improve. Our follow up work will aim to build a school wide strategy, a sustainable way to lift student results.

After our last newsletter I received feedback from community members. An email, a phone call, a chat down the street; your feedback is greatly appreciated and helps me understand what is important to you. If you prefer you can also contact our Governing Council members to pass on ideas and concerns. The Governing Council is a fantastic group of parents who want the best for the school and every student, you can be assured they give appropriate weight to feedback received.

I need to remind parents that supervision of students is only provided after 8.30am and until 3.30pm. Consistent with DECD Policy, I must unfortunately ask that students are not on the school grounds outside these hours, unless participating in an approved community event.

The 2016 Mallee Formal was held in the Murray Bridge Hall on the 5\textsuperscript{th} of August. Students from Tintinara, Lameroo, Coomandook, Karoonda and East Murray attended the formal. Coomandook were responsible for organising the Formal. The venue was beautiful and the meals were tasty. There was live entertainment all night and photo opportunities. Overall, the night was a huge success and was very enjoyable for all who attended.

\textit{Gema Harvey}

On Tuesday the 5\textsuperscript{th} of August Year 11 and 12 students from Tintinara Area School braved the cold weather to attend the 2016 Mallee Formal. It was a fantastic night with the students all thoroughly enjoying themselves. Throughout the night the students were served a selection of foods. For the main meal students were served two platters, one with varying meats and the other with gourmet salads. Everyone enjoyed themselves with music and dancing until 11 o’clock when everyone was permitted to leave.

Mr Huff Performance

when there’s a huff in your day
you gotta say g’day
I’ve seen you standing there
But you’re not going to get in my way
Just smile and say
Hey! I’m going to be okay
I can sing a song then it won’t
Last long
’cus it’s just a huff in my day

Tintinara Area School

16th August 2016
Mr Huff by Anna Walker

On Wednesday 1st August the primary school students watched a performance of the book Mr Huff produced by Meerkat Productions.

The children enjoyed the different voices and costumes of the performers. They watched avidly as the action took place all around them. They were particularly impressed with Mr Huff as he grew from a small grey cloud into a large storm cloud. At the end there was time for questions about how Mr Huff moved and how to make the different voices of the characters. When asked about the performance, the children told us that it was AWESOME!

The performance told the story of Bill a young boy who wakes up one morning feeling a little grumpy and with a small grey cloud over his head. Everything he does that day goes wrong and each time it does the little grey cloud gets bigger until eventually it is larger than Bill himself. He tries to tell his parents about Mr Huff but the words won’t come out. He shouts at Mr Huff to try and get rid of him but that doesn’t work either. If you would like to know what happens in the rest of the story then please visit the Library and borrow the book.

Mrs Duffy
SAPSASA Basketball

On Tuesday 2\textsuperscript{nd} August Tintinara SAPSASA Girls basketball team travelled to Bordertown to compete in the Upper South East competition. This was the first year Tintinara had competed in the USE region. The girls were really excited to compete against new teams and the feedback from parents was positive, especially with the decrease of travel time. The teams that competed in the SAPSASA round robin competition were Naracoorte, Kingston, Frances/Mundulla, Keith and Tintinara. This year we had five girls representing the school, Trinity Manning, Dallas Merry, Jessie Seidel, Bethany Makin and Chloe Cutchie. As we had limited numbers this year we were unable to have a bench so the girls had to run out each of the seven games without a break which was an enormous effort.

The girls battled hard throughout the day, but we lacked some experience and height compared to other schools in some matches. The girls showed great determination and were always competitive and tried hard. It is really exciting as a school to realise that all our representatives this year were in Year 6 which means they will all have the opportunity to compete next year with another full year of experience. The girls won one game over the day which was nice for them to get some reward for lots of effort over the day.

On Wednesday 3\textsuperscript{rd} August it was the boys turn for SAPSASA Basketball. They too headed to the Bordertown Carnival. In the boys team we had Tom Finn, Tyson McCabe, Wesley Sanderson, Darcy Connor, Isaac Kennett, Mitchell Tonkin and Jaden Ward. Courtney Manning was coach.

The boys competition consisted of two pools, then the corresponding positions in each pool played off at the end of the day. The games were 15 minutes each and very fast paced. The boys results are following. All the boys played in the spirit of the game and improved as a team throughout the day. Thank you to Nola Connor and Vanessa Hooper who helped out with scoring on the day. A big thank you to Nick Croser who umpired every game.
