**Principal’s Report**

In recent weeks I’ve had several opportunities to watch our Tintinara kids in action, with the Show Team at the Royal Adelaide Show and the Choir at the Festival Centre for the Public Schools Music Festival, and these events have reminded me once more how positive, helpful, friendly and talented our children and young people are. You can read elsewhere about the ribbons and awards our students have won, but I am most proud of the character that our students have demonstrated.

For several years now we have been speaking about the values of our school and community; that at Tintinara Area School we take Risks, aim for Excellence, provide Support, give Permission, include Everyone, Collaborate and succeed Together, and all on a backbone of RESPECT. It has been wonderful seeing our students out in the wider community trying new things, supporting each other, and sharing responsibility with each other. At the show I spoke with many colleagues from across the state, and the comments that they made about the respect and care that our students demonstrated for each other and their animals was wonderful to hear.

Similarly with the Choir Festival – the smiles on the faces of our students when they walked out of the theatre to their proud families was a magnificent reminder of why teachers give up mornings and nights so that their students can have new, and different and positive experiences.

As I look at other schools, and contemplate working there I am reminded how positive, kind and caring this place is.

I would also like to take this opportunity to acknowledge two staff members whose contribution to our students was recognised with nominations for the 2015 Excellence in Public Education Awards. I will let the words of people who nominated these educators speak for themselves:

Nancilee Richards: Nancilee is a highly dedicated and enthusiastic person who genuinely cares for students from Preschool to Year 12, and staff at this school. She provides emotional support for all and has reduced the workload of teachers through her diligence in managing behaviour and working with external agencies to ensure students receive the best educational opportunities and outcomes. She is highly respected by all students and great valued and respected by staff and thoroughly deserves recognition for always going the extra mile.

Mandy Parsons: Mrs Parsons deserves to win a 2015 SA Excellence in Teaching Award because she truly is one of the most outstanding and dedicated teachers you’ll ever come across. She will use all the time she has to help you with something you’re struggling with and encourage you to follow your dreams. She is dedicated in the fact that she’ll arrive three hours early to school everyday just to get things done and organise the students for the days ahead. She is an all-round caring and dedicated teacher who deserves to be recognised for her greatness as a coordinator, teacher and person.

This school has good kids, good staff, a good community, and a future that looks bright.

Festival of Music

Wow! What a fantastic night of entertainment last week at the Festival Theatre. The 12 Tintinara students who performed must be commended for their effort and behaviour. Thank you to the many parents and friends who came along to support them. While it is a very long day, it is worth the effort.

We had an unexpected visitor during lunch in Elder Park with a large pelican checking out what it might get to share! In the afternoon the students joined with other schools in our area to go to the Piccadilly Cinema to watch Pixels.

The Remembrance song cycle was very moving. Considering our concert was down in numbers the students sang beautifully and it was obvious which songs were their favourites.

The students next perform for the H&R group on Tuesday 14th October, then at the Murray Mallee Regional Music Festival on October 27th and finally for Presentation Night. They are becoming seasoned performers without a doubt.

Julianne Wandel

On Tuesday 15th September the Year 5/6 Class arrived at school at 5:20am for a trip to Adelaide for Choir. On the way we picked up students from Coonalpyn and Coomandook schools. We arrived in Adelaide and got off the bus. The teachers took us for recess. When the doors opened in the Festival Centre we all went to the toilet, then we went to the rehearsal room and talked about what was going to happen that night. We went up onto the stage for rehearsal. The conductor told us that those who were sitting on a number had an umbrella, and she warned us that people could hear EVERYTHING even when the curtain was closed! After that we evacuated as a practise and had lunch on the river side. A pelican chased one of the Coonalpyn boys, and then it bit Ethan as it was trying to get his lunch from his hand. The pelican then chased Bethany, Jessie and I. After that we went to see Pixels at the movies in North Adelaide. It was about video game characters coming to life and attacking the world. We all got a choice of ice-cream, popcorn and a drink, but were only allowed to have two of them. After that we walked across a cool bridge on our way back to the dressing room where we all got dressed. We were then told to put on our jumpers over the top of our Choir shirts so we didn’t spill any food on them! We went to the Myer Centre for tea where there was lots of options to choose from. On the way back to the Festival Theatre we went past the War Memorial, then we went to the rehearsal room for the last time before the big performance.

A lady called Michelle was giving us bobby pins for our hair if we needed them, as everyone’s hair had to be out of our face. Robin taught us some vocal warm ups. Then we walked out the ‘altos’ side of the room and went on to the stage on row five. To start with we sang the Elvis Medley. Once we finished that song the audience was asked to stand for the national anthem. We all enjoyed the performance!

Once the performance was finished, we went back into the rehearsal room and thanked everyone. We then grabbed our bags and were able to go to where we had to meet our parents outside.

Go-Cart
Yesterday in Science we got to ride our go-cart which we have been working on this year. It drove really well and a lot faster than we expected; we worked out that it goes about 36kms per hour! Unfortunately towards the end of the lesson the wheel fell off, so we had only 3 wheels. It is now being fixed. We would like to thank the Men’s Shed for all there help throughout the experiment.

Upcoming Ag Fundraiser
The Ag Fundraising group are in the midst of organising a 2016 Calendar to be sold as a Fundraiser. The calendar will be full of photos taken in and around the schools Ag Department throughout this year by our staff, students and parents. These will be printed on excellent quality gloss paper, in full colour. Please hold off purchasing your calendar for 2016 so you are able to support the Ag Department. Calendars will be on sale throughout Term 4 and during the holidays into the beginning of 2016. All profits made through this will be put towards next year's budget. More information on how much the calendars will cost, and where you can purchase them from will be in the first newsletter next term. They will make a fantastic Christmas gift!
R/1 Pizza Day
This term the R/1 Learning Journey was presented in the form of Pizza Day!
We shared our procedure writing work (Pizza recipe), then used them to cook pizzas in the Home Ec Centre.
We returned to the classroom to play ‘pizza shop’ with our families. The students had a chance to show their reading, writing, money, and numbers skills.
Thank you to all families and friends who attended and helped to make this a wonderful Learning Journey.

SAPSASA Athletics
On Monday 21st September, Murray Mallee District competed in the annual SAPSASA Athletics Championships at Santos Stadium. We had 9 students compete in various events and here are their thoughts on the day:
Jaden – I liked high jump but they were going up in 5cm each time so it was a big change I jump 1.15cm high.
Dylan – I had fun and had a photo finish for the heat in the 200m.
Erin – The best part about today was probably doing the relay because I enjoy running more than throwing. I also enjoyed representing my district for the last time.
Darcy – I enjoyed my day at Santos and loved running the relay with my friends.
Trinity – Today was really fun because we were up against people of different skill levels and we came home knowing how we had to improve.
Charlton – I enjoyed competing in events and meeting new people. I like being able to compete against other people my age, but not necessarily my own ability level.
Thank you very much to those parents who provided transport for our athletes.

Milo Cricket Clinic
On Monday the 7th of September Sarah-Jane Jameson and Mohammed Arifi from SA Cricket Association came to the school. The Reception, Year 1 and Year 2 students had an opportunity to participate in a cricket clinic to learn new skills and develop their cricketing potential.
There were 4 different activities that the students rotated through. Each was first demonstrated by Sophie in Reception and Mohammed. There were bowling, batting, catching and throwing activities. The students worked in pairs and moved independently around the groups.
The students worked hard and the look of concentration on some of their faces is priceless. 😊

SAPSASA Tennis and Cricket Tryouts
On Wednesday 16th September, the SAPSASA Tennis and Cricket tryouts were conducted at Karoonda. We had one tryout for the Tennis and four tryout for the Cricket. Limited spots makes it challenging to be selected in the teams. We were successful on the day with Charlton Manning being selected in the Tennis and Dylan Ward, Josh Croser and Daniel Borchardt being selected in the Cricket. Also a special mention to Courtney Manning as she is coaching the Tennis team this year and we wish her and the students the best of luck for the carnival. The carnivals are held on the 2nd to the 6th November.

2015 Royal Adelaide Show Results
The 2015 Royal Adelaide Show involvement was the culmination of many weeks of solid work by students, a group of parents and staff. Right through from the selection of animals, to feeding, grooming and training of animals, the time and effort spent was rewarded with the receipt of many prizes and awards as listed below. A full list of show results can be seen on the web at www.theshow.com.au/results

Just as important as the results to our success was the teamwork displayed and the cooperation of the students at the show along with the support of the community. I would like to take this opportunity to thank the parents, students and fellow staff involved as well as the wider community for donations, loan of equipment and other in-kind assistance.

The show this year was enjoyable; I learnt many new things in live cattle assessment about the diet of steers. In the live cattle assessment we learnt about what you need to consider when thinking about getting a show steer. I was very proud of all the efforts of the show and the results were great. Gema Harvey

What I found interesting at the show was learning about how if the sheep doesn’t have density in its wool, it can blow open in the wind. This can cause the wool to dry out and it allows dirt to get into it. Mitchell Cocciolone

I learnt by handling a steer that they can be at different growth stages and be more developed with their muscle and fat. Sophie Meyer

The show was a great experience for us who had been there for a first time with an animal. We learnt about how they scan the eye muscle and the structure of the goat, the behaviour of how you act in the ring, the different handlers and the different breeds of goats that are at the show. We all really enjoyed it and would like to thank all the teachers-for taking us, breeders, sponsors and all of the other people who helped us and supported the show team.
