Principal’s Musings

Where has the last four weeks gone? As I reflect on the time I have been here at Tintinara I can only re-emphasize the comments that I made in the last Newsletter. The Tintinara school community has been incredibly welcoming and there is a real sense of support across the community towards the school. There is no doubt that the teaching and support staff have the best interests of students in mind and that learning programs reflect opportunities both within the school and wider community. In the past four weeks, I have seen a broad range of such opportunities for students to engage in, including the Adelaide Show, class visits to Adelaide Central Market, the Adelaide Zoo, the Festival of Music, and the excursion to Salt Creek as arranged by NRM and the Junior Social as organized by the SRC. My thanks to the teachers, support staff, students and parents for your organisation and engagement as you support these important learning and social experiences for the students with whom we work.

I was incredibly impressed with the Years 3/4 & 5/6 Learning Journey Friday 16th September. This event gave the students an opportunity to showcase their learning across the term around the topic of Federation and culminated in a morning of cooking. Parents and grandparents attending the afternoon Learning Journey were able to sample a number of foods from a range of cultures. The spread of food was beautifully presented and from the number of people returning for further taste testing the food was really good.

Just some reminders about this week:

- Footsteps Dance program across the week with Friday presentation.
- Interviews as booked on line to be held on Tuesday and Wednesday.
- SAPSASA Athletics Championships Monday.
- USE 5 a-side Soccer at Coomandook on Tuesday.
- Year 3/4 Learning Journey 9.40 am -10.00 am (as per previous note)
- Year 7/8 catering and lunch with senior citizens at the Health Centre. Choir and instrumental music students performing.
- Assembly Friday 1.40 pm. Presentation of student awards Term 3. All parents / carers and extended family most welcome.
- Dismissal Friday 2.15pm.

On behalf of the staff, thank you to the many parents and caregivers who have supported the school in a range of ways throughout Term 3. It has been a busy one, and without your support, the experiences offered would not be as diverse. We wish all families a great break and hope that at the end of the two weeks students come back refreshed for Term 4.

In closing, my sincere thanks to the Tintinara School Community in making my time here this past month so enjoyable. It has been a pleasure. As I go back to my former position, my work in the role of Coorong Mallee Partnership Numeracy/ Literacy Plus Leader means that I will continue to have regular contact with the site during Term 4. I look forward to maintaining a link with the school.

Tech - It has been really good to have tech studies back this term. We have been working hard to make gifts for Father's Day (a shoe remover). We have also been making spinning tops which we are still working on. We have had the opportunity to use many different tools and machinery. We have gone through all the safety procedures with each of the tools.

The tools we have learnt to use are:
- Hand drill
- Drill press
- Disc sander
- Bandsaw
- Handsaw
- Wood burner
- Hammer
- Hacksaw
- and the use of clamps

Physical Education - Throughout the semester we played many sports that coincided with the Upper South East and SAPSASA. Some of the sports we have learnt we already had some experience with and others we have learnt.

Some of the sports we have learnt are:
- Netball
- Volleyball
- Basketball
- Soccer
- Touch Football
- Badminton
- Field Hockey

Tintinara Area School is hosting the USE Super 8 Cricket carnival next term. Mr Carter’s 7/8 home group is responsible for helping to organise the day. There is a lot of work needed to make this day possible and we are excited to show other schools what we have planned.

SAPSASA Athletics
On the 26th August, the Murray Mallee District conducted its annual SAPSASA Athletics tryouts at Lameroo. We had fourteen students compete in various events on the day. We were very successful having seven of these students make the final team. They then competed at the SAPSASA Athletics Championships held yesterday Monday 26th September at SANTOS Stadium.

Thank you very much to those parents who helped time and conduct the long jump at Lameroo. Without this continued support from parents/grandparents we wouldn’t be able to provide the many opportunities for the students to experience.

Thank you also to those parents who transported students to Adelaide.

The students who competed in Adelaide were:
Darcy Connor – 100m, Long Jump, Relay
Isaac Kennett – 800m
Dylan Mann – 200m, Relay
Trinity Manning – Shot Put, Discus
Wesley Sanderson – Shot Put
Mitchell Tonkin – 200m, Relay
Jaden Ward – High Jump, Discus, Shot Put, Relay

At SANTOS yesterday were:
Back row (L to R): Wesley Sanderson, Trinity Manning
Front row (L to R): Dylan Mann, Darcy Connor, Mitchell Tonkin
Absent: Isaac Kennett, Jaden Ward
Thank you to Nola Connor for the photo!
Survey of Wellbeing and Student Engagement

Students in our school have been invited to take part in a survey being conducted in Term 4 of this year. This letter sheet summarises key information about the survey. More information can be found at www.decd.sa.gov.au (search:mdi) or can be collected from the school.

Purpose of the survey
Young people’s sense of wellbeing is an important part of their development and how they learn at school. The purpose of the survey is to seek students’ views about their wellbeing and their engagement with school. Across the State, years 6, 7, 8 and 9 students will participate in the Survey of Wellbeing and Student Engagement. The information collected from the survey will help inform work in the education system and broader community to help improve young people’s health and wellbeing.

What is the survey about?
The survey asks young people about their 1) Social and Emotional Wellbeing: About you; 2) School Relationships and Engagement: About your relationships and learning in school; and 3) Physical Health and Wellbeing: About your health, lifestyle and after school activities. Students’ answers to the survey will be kept confidential – no one will use the results to identify individual students.

What is involved in project participation?
Teachers will arrange for students to undertake the survey during one or two class lessons. Students will be asked if he or she would like to participate and will be free to withdraw at any time. You may withdraw your child from the survey at any time. If you wish to remove your child’s name from the participant list please contact the school within two weeks of receiving this letter.

How will young people’s information be kept confidential?
The information that is collected from each student through the survey will be kept confidential by: Keeping information that could identify a student, such as names and addresses, separately at all times from the responses to the survey.
- Only analysing students’ responses to each question after student names and addresses are removed.
- Only creating reports based on the data for groups of students – no individual person will be able to be identified from a report.
- Only using identifying information to combine the survey data with other educational data for statistical analysis and research.

Will schools, classes or young people be “ranked” in any way?
No. The findings will not be used to rank or determine the performance of schools.

Where can I get more information?
Further information can be found at www.decd.sa.gov.au (search:mdi) or can be collected from the school. For questions or concerns, or to view the survey questions, please contact Anna Lewkowicz, Project Manager, via email at DECD.MDI@sa.gov.au or by phone at (08) 8226-0452.

Coorong Excursion

On the 15th of September the secondary students went on a trip to the Coorong to learn about its natural resources and the use of the land. We learnt about how important the water is to not only native animals but also many worldwide birds that migrate to the Coorong every few months. Not only did we learn about the wildlife but we also learnt about the Aboriginal history of the land. We watched and participate in two Aboriginal dances, which told the story of the pelicans which fly over to the Coorong. We learnt how important the yakka bush is to Aboriginal people and we learnt what good use you can get out of them. They used the yakka bush to make spears, collect water, for food and for fire. We learnt what berries we can eat and what ones we can’t. We learnt how to collect water if we are ever stranded; there are watering holes which you can collect water from. My favourite part of the trip was the Aboriginal dances as it made us all work as one and helped us all connect a little more. Kira’s favourite part was walking around and getting a general idea on the use of the land and how important it really is.

What a fantastic performance last week! The Tintinara students performed as part of the Adelaide Festival of Music which now has been happening for 125 years. I am sure that it is an experience that they will always remember. They represented our school in a mature manner and gave their best in both the rehearsal and the performance. Thank you to Jed Keller for transporting us to Adelaide and also to the families who came along to support our students.

The Murray Mallee Festival of Music will be in Murray Bridge on Tuesday the 25th October. All of the Tintinara choir students are able to participate in this festival. Tickets are on sale through [www.trybooking.com](http://www.trybooking.com) or via Ray White Real Estate in Murray Bridge. Today also the choir students will be performing to the H&R group.

Julianne Wandel
Choir teacher

On the 21st September, ten students from years 5-7 went to Adelaide to perform fifteen songs that included six songs of a special category which is Mission Possible which focused on making the place through limiting pollution in the air. The rehearsal went well and the conductor, Robyn Filmer, brought along a monkey that had really big eyes. That was how she wanted our eyes to be. The performance went well.

We went to watch a movie which was “The Secret Life of Pets”. We then headed to the Myer Centre for an early tea at 5:00pm. At 7:30pm the performance started. It was a very fun night for all the students who participated. We would also like to say a huge thankyou to Mr Keller who drove us to the Festival Theatre, Mrs Wandel our Choir Teacher as well as the students who participated in the choir. We all enjoyed the night and the Year 6’s cannot wait to do it next year.

On Tuesday 13th of September, the SRC ran a junior school social celebrating Science Week. The years Foundation-6 were involved, with most secondary school SRC members organizing the social. Throughout the night, games such as spin the bottle, limbo and musical statues were played. There was also a science experiment, putting Mentos into a coke bottle to see it froth up. All students enjoyed the night, dancing to the music and having fun with friends. Lastly, I would like to thank the teachers who supervised, and everyone being able to achieve a successful night.

Charlton Manning
Secondary School Camp

During 2016 Years 7-10 students worked with the Lions Club to raise money for the Secondary School Camp. We prepared soup and desserts for the LuvBoat performance in association with Tinti Under the Stars. We also helped make and sell donuts at the BDT vs Lameroo football and netball matches at the Tintinara Oval. We all took turns in working shifts throughout the day, with some people making the donuts, and others selling them. The Lions Club kindly donated all profits towards the school camp, and also bought all the ingredients necessary for the day. In total, we raised $1700, reducing the cost for the school. We would like to thank Tinti Under the Stars and the Tintinara Lions Club for their support.

On Wednesday 21st of September the Tintinara Lions Club members held a ceremony handing over a cheque for $1700 as a donation towards funding the 2016 Secondary School Camp.

Central Market Excursion

On Thursday 15th of June the Year 3/4 class and the year 5/6 class travelled to Adelaide for our excursion to Central Market. The purpose of our trip was to purchase ingredients for our Learning Journey the following day.

We had to be at school at 6.30am which was a bit early but we were pretty excited so it didn’t matter. We stopped at Tailem Bend on the way for a few minutes then travelled down the freeway to Adelaide. Just before we arrived at the Festival Centre, Mrs Duffy got a message on her phone. The message said that due to the flooding of the Torrens River we would not be able to complete the first stage of our excursion – a trip on the “Popeye”. The manager was very sorry but needed to consider our safety first. So Mrs Duffy, Mrs Schilling and the bus driver came up with Plan B. We would go to Central Market first then stop off at Mount Lofty lookout on the way home.

After eating our recess and walking up to North Terrace we waited for the tram. The tram trip was pretty crowded and it was fun standing up without losing our balance. We got into our groups again and set off with our shopping lists. It was fun to look at all of the strange fruits and vegetables we don’t normally see. The colours and the smells were amazing. We even saw a man taking his cat for a walk through the market! The time went really quickly.

We caught the tram back to North Terrace and went down to the river to sit and eat our lunch. The bus reappeared and we set off for Mount Lofty. The view was awesome! We could see the city and the airport and even Port River. It was great to have such a good perspective of the city.

We arrived back at Tintinara at about 4pm. Thank you very much to Mrs Scobie, Mrs Meyer, Mrs Manning and Mr Schulz for coming with us. Your help made our day so much more fun.

Free School Holidays Junior Golf

6-hole junior golf rounds will be held at Lake Albert Golf Club on Tuesday the 4th and Tuesday the 11th of October, commencing at 9:30am and finishing by 12:00 midday.

Juniors will need to be aged ten or above and have an interest in playing golf and ideally have tried out golf through our clinics or school sessions.

Shared golf clubs and balls will be provided. If you have your own clubs, then bring them along.

Some golf rules will be relaxed for the events: players will hit off from the 150 metre marker, ‘airies’ will not be counted, players can take a drop out of the rough and bunkers, and balls can be picked up after a shot count of 8.

Any parents/guardians who can help out by walking with the juniors in groups of 3 over 6 holes from the 150 metre mark will be greatly appreciated.

Ring or email Lisa on 0437 247 481 or peterlisa@internode.on.net so I can have an idea of numbers and helpers.

If it is going to rain on these days we will have to cancel, so keep an eye on the weather! A small shower or two won’t deter us though!
