**Principal's Report**

**2016 Materials and Services Charges**

As part of our management processes each year, we advise the school community of any changes to our Materials and Services charge. Governing Council has a policy of increasing the amount each year to the standard amount charged by Government schools. By having annual increases of $5 or $6, this helps us avoid sudden increases of $20 or $30, and ensures that we have the resources our children need to make the most of their school experience.

All members of our school community are invited to attend a Governing Council Meeting on Monday, November 23, where these fees will be discussed. In lieu of attendance at the meeting, parents/caregivers/students can express their views in writing to the Chairperson of the Governing Council prior to the meeting. This can be done through the front office, or directly to Jed Keller.

We also encourage all members of our school community to attend the AGM of Tintinara Area School, to be held on Monday, November 16 at 7pm. A crèche will be available, and drinks and nibbles will be provided.

**Pool Access 2015-2016**

As you would be aware from previous newsletters, changes in government policy and legislation have led Governing Council to update our operational guide for the Tintinara School Pool. Prior to receiving a key, anyone who wishes to have access to the pool for their family is now required to provide:

- a current Child Related Employment Relevant History Check carried out through the Department of Communities and Social Inclusion (Forms are available online or from the front office of the school)
- evidence of completion of the School Volunteers Course of Responding to Abuse and Neglect (a session of this will be run on Wednesday November 18 at the school, from 5:30pm, and will take approximately 1 hour.)
- evidence that you hold a current Pool Supervisors/ Swim Rescue certificate. This must be refreshed annually. (A session for this will be run at the school on Saturday, November 14.) If you are unable to attend this session you will be able to book at another venue (Keith and Coonalpyn are both hosting sessions in the next month.)

There is no expectation that supervisors will supervise other pool visitors. A Season Pass will cost $80, which includes the Pool Supervisors Course, the Reporting Abuse and Neglect Course, and a $20 key deposit.

Governing Council

The school’s Governing Council is responsible for working with the management of the school to ensure that the whole school community is involved in the governance of the school. It provides a focus and a forum for the involvement of parents and is a conduit for ascertaining the educational needs of the local community, as well as the attitude of the local community to educational developments within the school. The Governing Council works with the Principal to set the broad direction and vision of the school, and is responsible for monitoring and reviewing the progress of the school.

Council meets twice a term, usually on the third and eighth Monday evening. Each meeting usually goes for around 2 hours and involves reports from the Principal as well as each of the Subcommittees. There is also business raised by members of the council. This is a place for “Big Picture” thinking and it is not responsible for nitty gritty management. (That is the role of the Principal and school staff.) If you would like to be involved, please return the nomination form (on page three) by Monday 16th November.

There is also the opportunity to be involved in the direction of the school through our Subcommittees. We have groups that focus on Finance, Facilities/ Assets, Agriculture, and the Early Years. These groups meet once or twice a term as required. In 2015 the Finance and Facilities/ Assets groups usually met immediately prior to the Governing Council meeting, but members of these groups do not need to be part of Governing Council as well.

Finance

The Finance Subcommittee is responsible for working with the Principal and Business Manager (Stuart and David) to oversee the financial management of the school and make recommendations to Governing Council about budgets and expenditure. Skills that are useful in this group are the ability to ask why income or expenditure is different to that which is budgeted, and reflect upon whether the answers provided indicate something worrying that should be reported to Governing Council. It is a common misconception that this group is for accountants and people who write cheques and maintain the books, but I can assure you that this group does not work in that way.

Facilities/ Assets

The Facilities/ Assets Subcommittee is responsible for working with the management of the school to provide direction about the development of the school’s physical resources. It usually meets a couple of times a year to set priorities for building upgrades. We have had an extensive building program over the last few years with almost all buildings being reclad and externally upgraded. We have also had internal upgrades in a number of areas. Unfortunately the wheels of government do not move quickly, but we are slowly yet surely seeing progress with our Preschool playground upgrade and our Agriculture facility. Meetings usually involve asking “What is the greatest need? What fits within the budgetary needs of the school?” In recent years the initial meeting has been up to an hour long, and has involved a site inspection, while subsequent meetings have been less than 30 minutes as progress is reported.

Agriculture

The Agriculture Subcommittee is responsible for working with the Ag teachers to support the provision of an effective Ag program that meets the needs of the local community. It does this by providing expertise, advice and by being available in practical ways. In recent years this group has worked particularly hard to support teachers with preparation for the Royal Adelaide Show, and I anticipate that this hands on support will continue to be needed.

Early Years

This year we are working with the playgroup and community stakeholders to establish the Tintinara Early Years Group. This focuses on the children from birth–age 8, and has representatives from the school, preschool, playgroup and wider community and will be working to ensure that the early childhood needs of the Tintinara community can be met. This group will involve advocacy and planning. The agenda for this group includes such things as how we might be able to promote better access to childcare, supporting parenting, and promoting excellence and innovation in early childhood learning practices.
School Uniform
To alleviate the need to keep such a large amount of uniform on hand at the school, we are offering parents
the opportunity to pre-order their requirements for the start of the new 2016 school year.
Within this newsletter you will find an order form for all our uniform pieces. Please fill in your required
items and they will be ordered on your behalf, ready to pick up at the beginning of 2016.
As per Governing Council Policy, uniform items are to be paid for prior to them being distributed, so an
invoice will be produced when the items are in stock. Once the invoice has been paid, you are able to take
your items.
We are able to offer long pants for students. These will not be held as a stock item, but parents are able to
order them on the pre-order form. There are Grey gaberdine pants (generally for the boys), or navy track
suit pants (with zipped pockets, generally for the girls, but are suitable for boys also); please fill in the size
and amount required for your child/ren if you wish to purchase them this way. We do have a sample in the
office if you wish to see what they look like. Both styles of pants are $16.50 inc GST.
There will always be limited stock of our uniform items kept at the school, but would appreciate parents
thinking ahead and pre-ordering where they can.
Orders will be due into the school by Friday 13th November (end of Week 5) to ensure items are back at
school prior to the beginning of the new school year.
If you have any queries regarding this process, please don’t hesitate to contact the front office.
Thank you.

MFS Road Awareness Program
On the 28th of October, a small group of Year 10/11 student travelled down to Keith Area School to take
part in Metropolitan Fire Services Road Awareness Program (RAP). RAP is a powerful presentation aimed
at educating students in road awareness. It targets license-aged drivers and road users including cyclists and
pedestrians at secondary schools across South Australia. The presentation is carried out by Metropolitan
Fire Service fire fighters and is an emotional, hard-hitting, Road Awareness Program, taking students on a
journey to discover the risks drivers choose and the consequences they have no control over. Their message
is: 'Through Concentration and Commonsense, almost all road crashes are avoidable.'
“It was very eye opening, because you don’t realise sometimes how easy it is to remove distractions and
become a responsible driver.” Brooke Finn

Super 8 Cricket

On Friday the 16th of October, students from Coomandook, Karoonda, Keith and Meningie travelled to Tintinara Area School to compete in the Super 8 Cricket carnival. There was a girls team and a boys team for Tintinara. With extra numbers in each team they had to rotate players with the extra player doing the scoring and playing for teams that needed more players. Both teams had some tough competition from a few of the other teams but finished the day with a good win/loss ratio. It was good to see all the students having a good time and trying their hardest. I would like to thank Keith Harkness on getting the ovals mowed and pitches marked out for the day, Marijo Richards, Gema and Peggy Harvey for preparing all the food for the BBQ and all the helpers that cooked and served at the BBQ. Was a great day and here is how Tintinara faired.

**Art with Mrs Sheryl Schilling**

Throughout the year our class has been participating in visual art lessons with Mrs Sheryl Schilling. We have one lesson per week with Mrs Schilling and so it has been really important that we use our listening skills in order to make good use of that one lesson.

We created three major pieces of art work; Inky Art, Ceramics and Turtles. Mrs Schilling has a wide range of skills that she uses to help us to learn different techniques, such as washes over ink or crayon, interesting ways to frame our art and working with different textures and textiles. We have worked in the art room in these lessons which gives us experience in using specialist areas of the school in preparation for middle schooling.

Mrs Sheryl Schilling is very talented and we are lucky to have been able to learn from her this year.

Thank you Mrs Sheryl Schilling!

Water. The Original Cool Drink.
We know that plain tap water as a drink is healthy and free and important for our bodies to function, but what other healthy drinks can we try?

Some ideas include:-

- Add slices of different fruits or vegetables to water jugs for a different flavour (even herbs). Why not try this flavour combination: lime, kiwi and mint.
- Plain milk contains calcium which is good for teeth and bones and important for growing children.
- Add ice or straws to water for crunch and fun.

EXPRESSION OF INTEREST
TINTINARA PRESCHOOL SSO/ECW
If you would like to be considered for 18 hours work in the Preschool: (school hours) every Tuesday, Wednesday and Thursday of the school year then you need to ensure that you have met the criteria for employment in Early Childhood in DECD, which is as follows;

* have an active 2016 application on the "DECD Jobs" website. This can be found through www.decd.sa.gov.au and selecting "Teacher/ Ancillary Vacancies", then following the link to "Ancillary / Support Registers and Advertised Vacancies."
* Current DCSI Relevant History Screening
* Responding to Abuse and Neglect training
* Current Certificate Three or actively working towards gaining a Certificate Three in Children's Services or Education and Care
* First Aid - either Senior First Aid or First Aid for Centres and Schools

The Preschool Support Officer/Early Childhood Worker works closely with the Preschool Manager to deliver the Early Years Learning Program at Tintinara Preschool. Tintinara Preschool is a school based preschool that is known for supporting children's individuality. We are proud of our high level of positive engagement with parents and families. We are embracing of both staff and children being life-long learners and actively promote this. We are acknowledged by our community as having skilled staff in supporting children with special needs, as in reality we see every single child as being unique and special in their own way! Our Preschool embraces the importance of providing learning opportunities in both indoor and outdoor environments, with our outdoor play space being a particular highlight.

Specific responsibilities include such things as, but not limited to;
Contributing to supporting children achieving positive learning outcomes through play by
• assisting and supporting the Preschool Coordinator in the planning, implementation and reporting of education programs
• encouraging and supporting each individual child to value learning and develop knowledge, skills and competencies
• assisting the Preschool Coordinator in facilitating children’s inclusion and participation in all areas of curriculum
• contributing to the implementation of educational and developmental programs (with the support of the Preschool Coordinator)
• assisting the Preschool Coordinator in providing a safe and nurturing environment that promotes a sense of belonging and self-worth
• assisting the Preschool Coordinator in communicating positively with parents about their children’s involvement in the program
• assisting the Preschool Coordinator in promoting services which reflect and promote the cultural needs of the community
• assisting the Preschool Coordinator in the provision of a service which results in access to and participation in the centre by all children and families.
• participating in relevant professional development

The school will be selecting someone from the register for this position soon after November 16, and we encourage all interested parties to ensure that they have registered their interest prior to this date.

TINTINARA AREA SCHOOL SSO
From time to time the school has vacancies in the areas of classroom support, word processing, administrative support, desktop publishing and working with students with disabilities.
If you would like to be considered for any of these possible vacancies, you must have the following:

* An active application on the "DECD Jobs" website (registration is an annual process).
  This can be found through www.decd.sa.gov.au and selecting "Teacher/ Ancillary Vacancies", then following the link to "Ancillary / Support Registers and Advertised Vacancies." (this register for 2016 closes on 16th December)
* Current DCSI Relevant History Screening (form can be arranged through the school to apply for this)
* Responding to Abuse and Neglect – Education and Care (RAN-EC) training (full day course). For further information and training organisations, visit http://www.decd.sa.gov.au/speced2/pages/childprotection/48799/?reFlag=1
* First Aid - either Senior First Aid or First Aid for Centres and Schools

2015 CURRICULUM AWARDS
Invitation to Tintinara Community Members and Businesses
The end of year is fast approaching and the time has come around again where we are inviting community
members and businesses to show their support of our students.
Each year we honour our students who have achieved excellence in academic fields with a book prize they are
able to keep for the rest of their lives as a memento of their schooling at Tintinara Area School and the success
they achieved.
We are inviting community members and local businesses to sponsor an award with a monetary donation. To
acknowledge your sponsorship, a plaque will be placed in the book prize and announced when the award is
presented to the winning recipient at Presentation Night. The sponsorship package costs $44 and a tax invoice
will be supplied to you/your business.
Award sponsorships we are looking for this year are as follow:
Outstanding Academic Achievement – Each individual Year level Three through to Ten
Outstanding Application and Effort – Each individual Year level Reception through to Ten.
If you are able to sponsor a book prize this year, please fill out the form below and return it to the front office
by Monday 30th November. If there is a specific year level that you would prefer to donate to, please make a
note of it on the form below; this will be chosen on a first reply received basis.
We thank the Tintinara Community for their continual support of our school and students, enabling a bright
future for us all.

I/We would like to sponsor a book prize for Presentation Night 2015 for $44.00.
If there is a particular Year level you would like to sponsor, please write it below (Reception-Year10).

Uniform Order Form – Please return by Friday 13th November 2015

To alleviate us having to keep too much stock on hand, we would like to offer an ordering system to parents for the uniform. Orders will be placed at the end of Term 1 in preparation for the cooler months, then again at the end of the year to ensure orders are in stock ready for the beginning of the new school year. Limited stock will be kept on hand throughout the rest of the year of all our uniform for those that require it.

Please fill in your items as required on the order form below and return to the school. Do NOT pay for them at this stage.

For Sports and Preschool Polo’s, please mark whether you require red or green shirts.

Dear Community Members,

2016 Ag Fundraising Calendar

As you will have seen in the last two newsletters, the Ag Fundraising Committee has been working hard towards creating a calendar for 2016 – a major fundraiser for next year’s budget!

The order has now arrived and we are ready to put it on show and take orders!

The calendar has a fantastic selection of photos taken in and around the school (or have a school reference to it) by staff and students. Printed on high quality gloss paper, we are extremely pleased with how the finished product has turned out.

There is a copy on display in the front office as well as in the Library if you would like to view it; there is also a preview of the front and back covers below.

Otherwise please fill in the below order form and send in to the Front Office with your payment ASAP – be quick before they sell out; limited numbers are available! We can post them out to you if you wish.

Don’t forget also that Christmas is just around the corner – and at only $16.50 each these will make a fantastic gift - especially for those who are a little harder to buy for!

Thank you for your ongoing support of our Ag Department, we truly appreciate it.

Stuart Kitto
Principal
