

HEALTH AND SAFETY RULES

- Footwear should meet safety standards and not limit involvement in educational programs. Covered, solid shoes must be worn for Home Ec. and Tech. Studies. Heavy shoes or slip ons (including thongs) are not suited to active involvement in learning activities.
- Children are expected to wear broad-brimmed or bucket hats in the yard, in terms one and four and on excursions where the UV level is expected to be high, or when the teacher deems it necessary during extended play or Physical Education lessons.
- It is recommended that girls wearing skirts or dresses wear sports or bike pants underneath to enable them to participate in PE and in active play, without embarrassment.

CONSEQUENCES FOR NON-COMPLIANCE

- Students not wearing a hat at recess or lunch times will be required to stay in the designated shade areas.
- A note will be sent to parent/caregiver of students not wearing the uniform asking them to support our policy.
- Students who regularly fail to comply with the dress code policy will meet with senior staff.
- A meeting with students and parents/caregivers will be arranged if required.
- For safety reasons students not wearing the dress code on excursions will need to stay with an adult at all times.

In accordance with the Administrative Instructions and Guidelines, Section 3, Division 4.179, Governing Councils are authorised to determine the school dress policy.

The dress code was developed by the Uniform Sub-Committee and ratified by Governing Council after consultation with students, parents and staff.

SCHOOL DRESS CODE

RATIONALE

We believe as a school community that there are benefits in students following an agreed school dress code:

- contributes to whole school unity and pride
- develops individual self esteem through the feeling of “belonging”
- contributes to the development of a supportive school environment, by reducing levels of competitive dressing
- supports social justice initiatives by discouraging fashion competition
- develops a positive image of Tintinara Area School in the wider community
- assists staff in identifying strangers in the school grounds and therefore enables staff to ensure a greater level of safety for students
- assists in identifying students during excursions and in the school grounds.

THINGS TO CONSIDER

- Clothing with large writing or pictures is not acceptable.
- Parents/caregivers are not compelled to purchase garments through the school but students are expected to wear school colours and accepted style for all learning activities including those outside the school.
- If a child attends out of dress code and is planning to participate in an excursion, wherever possible the child will be provided with suitable clean garments which comply with the dress code. If these are not available, for safety reasons, the child will need to stay with an adult at all times during the excursion. It is expected that these garments be laundered and returned to the school as soon as possible after the excursion.
- Clothing should be clearly labelled, thus reducing the amount of lost property.
- Parents have the right to request exemption for their children on specific grounds:
 - religious
 - cultural or ethnic
 - new students (time to purchase, wear previous uniform)
 - itinerant students
 - financial hardship
 - genuine medical or family sickness reasons,

in accordance with DECD regulations.
