## Welcome Back

It is great to be back, welcome to the beginning of another school year. It is amazing how quickly our students have slipped back into the routine of school. I hope you all had a well-earned break, for those new to our community I am sure you will feel welcome here, Tintinara is a great little place.

We are all feeling fresh and ready for another challenging year of learning. It has been an interesting start to the term weatherwise, students please remember to bring your hat everyday so you can enjoy playing in the yard! I'm excited by the positive vibe of our staff as they focus on doing their best for our students. Even during my first walk around every class was on task with a noticeably positive hum.

This term is always a busy one. We are running our swimming program over the first three weeks, establishing effective routines and developing personalised learning programs. I am looking forward to another year of growth in a range of areas and encourage you, our school community to continue your support as we strive for further improvement.

## Feedback

It is fantastic that we have already received constructive feedback from a couple of parents this year. Please keep in contact with your child's teachers and continue to provide us with feedback (positives and area for improvement) so that we may continue our efforts to improve learning experiences for your children.

## Staffing

This year you may see some new friendly faces around the school. We welcome Sylvia Pelichowski (Maths/ Science/STEM), Eleanor Binney (5/6) and Tori Connor (Administration and Learning Support) to our team. Each of our new staff have their own talents and strengths and I am confident they will fit in well with the team at Tintinara Area School. We also congratulate Dylan Carter who has taken on a coordinator role for 2020.

## Year 12's

Congratulations to our class of 2019 who maintained our 100% SACE completion rate! Well done & best wishes from all of us at Tinti.

## Sentral

We have started using Sentral for our student absence recording in 2020 and look forward to the parent portal going live soon! This will provide an alternative way to contact class teachers and keep informed about your child/ren's learning.

## Assets

We were very pleased to have our new pool filtration system installed late last year and are now confident we have resolved the unexpected issues. You may have noticed the oval looking a little dry over the summer break and may also be aware that our bore failed last year. Unfortunately we were unable to replace the bore pump and have been seeking a new bore. Obtaining approval and funding for the new bore is taking longer than we had hoped. In the meantime our groundsman Kyle will do his best to maintain the oval so students can continue to use it.

## Continuing to work together

Shout out to Keith for helping Kyle with the new timber screen by our covered outdoor learning area, it looks great. Thanks to everyone who helped improve our grounds over the school holidays, the improvements will benefit students for many years to come.

## Yondr

We are excited by the potential of transitioning our school to "a phone-free space", to improve teaching and learning. We are using a system called Yondr to achieve this goal. Yondr is currently used across the world in over 1,000 schools, as well as at concerts, comedy shows, weddings and special events of all kinds. The goal of these spaces is to encourage people to engage with each other and their surroundings. It is pleasing to see our students take control of their mobile phone use in such a responsible manner.

## Attendance

Thank you for the strong start to the year, on our Census day we had 121 students engaged in their learning. Well Done!

*Mike Sadleir*

## WELCOME!

We would like to welcome the new Foundation students to Tintinara Area School!

### What I want to learn at school

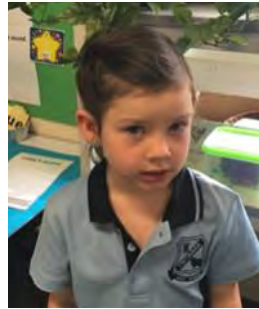

Tilly Doecke

*I want to learn how to write & how to tell what the time is*

Austin Leske

*I want to learn more letters & how to do maths*

Charlotte Green

*I want to learn how to read books & learn letters*

Sam Strother

*I want to learn how to write letters*

Tiakimotu Sanderson

*I want to learn how to do numbers*

Raylhord Ocampo

*I want to learn how to hold the pencil*

Henry Gregor

*I want to learn to read words*

Joel Zadow

*I want to learn to read & learn letters*

Blake McCabe

*I want to learn letters*

Rhett Schreiber

*I want to learn to read words*

Langley Gale

*I want to learn numbers*

Trixie Keller

*I want to learn how to do science*

Amberley Gale

*I want to learn how to count with dominoes*

Ellis Todd

Absent:  
Everly Brown

# Swimming Carnival

---

I, \_\_\_\_\_

Would like to order:

\_\_\_\_\_ x Chicken Salad Wrap

\_\_\_\_\_ x Salad Wrap

Please return to the front office or your teacher before the 11<sup>th</sup> Feb

## Adelaide Crows Clinic

On Thursday the 6<sup>th</sup> of February we were lucky enough to have some members of the Adelaide Crows Growing with Gratitude Group come and speak to our primary classes from F-4. The focus of this session was positive reflection. It was a motivating and interactive talk which encouraged the students to have a positive mindset and embrace positive behaviors and attitudes to both winning and losing, across all aspects of life. We were lucky enough to finish the session with skills and drills outside to help support our well-being. Ask your children about the 5 positive places in their lives where they can practice and focus on having a positive mindset.

## Parent Teacher Information Night

This year, we have decided not to hold a formal Meet the Teacher Evening. Interviews will take place in week 9 of this term. If you would like to meet your child's teacher prior to the end of term, please feel free to make an appointment using the regular processes.

## Ag Meeting

Ag meeting Tuesday 25th Feb at 6pm

## APPLYING FOR A SCHOOL CARD

All types of School Card applications will be available online from **13 January 2020**

You can access the online forms from any device that gets internet, including mobile devices, such as tablets and smart phones, as well as laptops and computers.

Applying online is easy! Simply follow the steps below.

- STEP 1** From 13 January visit [sa.gov.au/education/schoolcard](http://sa.gov.au/education/schoolcard)
- STEP 2** Select the type of School Card you would like to apply for (for example 'Type A') and follow the prompts.
- STEP 3** Complete all mandatory fields.  
*Please note: you cannot proceed to the next page unless all mandatory fields are complete.*
- STEP 4** Once you have completed a page click on the 'NEXT' button.
- STEP 5** Once you have filled out all pages click the 'SUBMIT' button.  
*Please note: if you exit the form without clicking 'SUBMIT' your details will be lost.*

You can save the form, and return to complete it at another time, by clicking on the 'SAVE' button.
