# News from the Acting Principal

As we enter Week 9 and nearly the end of another term of teaching, learning and new experiences I would like to express my thanks to our wonderful students, committed staff and our supportive parents and community members. We really do have a wonderful little school here at Tintinara and it has been lovely walking around to the classes each day, engaging with the kids and seeing the excellent teaching and learning that is taking place. A few pictures are below showing the level of engagement by our students during both inside and outside learning. Having children ages 4 to 17 come and explain with excitement what it is they've been learning about really does make your day!

## PAT Testing

Some of you would be aware that each year our students from Foundation to Yr12 sit the PAT tests, in Maths, Reading, Grammar and Punctuation, Vocabulary, Spelling and Science. Our students have recently sat these tests with some great results. Teachers will be sure to talk to these at our interviews on Wednesday and Thursday night.

## Parent-Teacher-Student Interviews

Our Term 3 Parent-Teacher-Student interviews will be held on Wednesday and Thursday nights of this week. You would have all received the booking letter a few weeks back and we are hopeful you were all able to make a suitable time. If you were unable to make a time and/or these times did not suit- please email your child's class teacher and perhaps organise an alternative time. These interviews are short (only 10 minutes) so if you require more time, please organise for another time to meet up with your child's teacher. If one parent runs over it puts everyone out on the night. We thank you for your support with this.

## Staffing

As you are all aware, I am currently working on staffing for 2021. This is a very complicated process but I am hoping to have things finalised by mid to late Term 4. I can let you know that Karen Schilling has won a primary teaching position at Willunga Primary School and will commence in 2021. This is a great loss to our school and community, however Willunga have gained an excellent teacher.

## Front Office

Tori, Kate, Belinda and Ros have been busy little bees, tidying up our office to make this space more manageable and welcoming to all who come to Tintinara. For those who have recently visited us you would have seen and used our new electronic sign in. This is now working well in both the front office and the library. Thank you girls for your hard work over the past few weeks in making this space much less cluttered and user friendly.

## Show Sheep

Well done to Miss Brands and Mr Carter for accompanying Darcy Connor, Jaden Ward and Callum Mooney to the Merino SA School Wether competition. The students took down 3 wethers which unfortunately did not win anything, however the boys displayed maturity and were eager participants. It was a different feel this year with lots of waiting around, but from reports the boys represented Tintinara Area School well.

Regards

## 30 years of Mrs Lawless!

It gave me great pleasure in presenting Wendy with her 30 years of service certificate – the whole 30 years been here at Tintinara!!! What an achievement! After working in many sites, I can honestly say – and tell Wendy all the time that this is the best library! Wendy knows her clients of the community, her students, staff and parents and chooses books accordingly. She is always happy to help and will go above and beyond to find what it is you may be looking for. We all love working with you Wendy- perhaps another 30 years up your sleeve!

# Wellbeing Day

## WELLBEING DAY 2020

## 9 A-Side Footy

On Thursday the 3rd of September, some of our Year 8 and 9 boys ventured to Karoonda to participate in the annual Upper South East 9 a-side football carnival. Schools involved included Coomandook, Lameroo, Swan Reach, Mannum and Karoonda.

Despite only filling a team of 8 players, the boys played a magnificent brand of football and managed to complete the minor round undefeated, before defeating Mannum in the final to be crowned champions.

It was pleasing to see all of our TAS boys contributing throughout the day and encouraging one another. I also commend the boys on the way they represented not only themselves, but Tintinara Area School in a positive manner.

Thank you to Wes and Mitch for coaching the boys and also, many thanks go to Hannah Zacker for giving up her time to drive the bus.

## Mallee Formal

On the 5th September the three of us attended the 2020 Mallee Formal. We were excited to go and the night definitely lived up to all of our expectations. We are grateful for the experience, especially considering current circumstances that delayed the event the first time. We would like to thank Miss Brands and Mr Carter for volunteering to be our supervisors for the night. Overall it was a fantastic night and we are very happy we attended.

*Lidia Keller, Bethany Makin and Jessie Seidel*

## Cricket Clinic

On the 8th of September we had a visit from SACA who ran a cricket clinic for our students. All of the students enjoyed learning about catching, throwing, ball control and many other cricket skills.

If your children would like to learn more about cricket there is a 'Fun & Fast' Cricket program being held at the Tintinara Cricket Club starting in Term 4. Please visit [playcricket.com.au](http://playcricket.com.au) for more details.

## Governing Council

Hello to the Tintinara Area School Community

A big thankyou to Jacqui who has stepped up to fill Mike's position after his unfortunate accident. It has been a crazy year and she will have a busy few months coming up filling positions for next year, allocating some grant money that has been made available to the school, getting some upkeep done on some buildings as well as the day to day running of the school.

On the subject of Mike's accident we wish him a continued recovery and our thoughts have been with him and his family over the past weeks. It would be great to see his face back at the school before the end of the year if only for a visit.

We wish Anthony Wandel well in his new role as groundsman at the school. I'm sure that the school ground will look spot on going into summer with the new bore and Anthony's attention. He might also catch up on a few little maintenance jobs that have accumulated after a few months without a groundsman.

Recently two of our valued committee members Bridgette Cutchie and Veronica Lewis have left the council and we thank them for the time and input that they have given to the school. This leaves two vacancies on the council which need to be filled. The terms run until the end of 2021 and we

would encourage any parents who have an interest in the school and their childrens education to contact the school or a governing council rep about filling these places. Our AGM is held in November in which more members are needed. So if your not quite ready yet keep November in mind as all parents are welcome at the AGM.

The Governing Council consists of 13 members including the principal and a staff rep. We then have sub committees which are involved with different aspects of the school like assets, finance, Bus, Sport, Ag and Early Years. These committees report back to the meetings which are held twice a term as well as giving input and guidance to the school. At our last meeting we were updated on school projects, recent activities in the school such as wellness day, science week and SRC activities such as Pyjama Day and Footy Colours Day and progress of the Mud Kitchen in the playground. We are looking forward to discussing the results of activities current such as the SAPSASA, Senior Formal and Merino expo at our next meeting.

We hope that you are, and continue to keep well and the school year runs smoothly from here on will good results from all our students.

Regards Adrian Wait  
Governing Council Chair

## Finance - 2021 Materials & Services Charge

Each year the Department for Education determines how much schools are entitled to charge parents/caregivers for their children attending school.

The Materials & Services charge is used to meet key costs in the school including books, writing materials, plus costs associated with internet and photocopying materials for learning. The amount we ask parents/caregivers to pay is the recommended/standard level of payment and this forms a key part of our budgeting.

An invitation is extended to all parents/caregivers to attend the next Governing Council meeting on Tuesday 27th October, 2020 at 7:30pm in the Tintinara Area School – administration building, where the 2021 Materials & Services Charges will be discussed and presented for approval. Should there be any questions or issues regarding the 2021 Materials & Services Charges, there is an opportunity to raise these at the meeting.

If unable to attend the Governing Council meeting and wish to express your view, please put in writing to the Chairperson – Governing Council, Adrian Wait and leave at the front office or email to dl.0438. info@schools.sa.edu.au  
A copy of the watermarked "Notice of Materials & Charge for 2021" is provided in the newsletter.

## Course Counselling

At Tintinara Area School we cater for individual learning pathways by providing some choice in subjects from Year 10. Students in Year 7, 8 and 9 are exposed to a broad range of topics within set subjects to give them an understanding of different curriculum areas. Years 10-12 students must complete compulsory SACE units, however they may have some choice in these.

Where we do not deliver face to face subjects, we have access to local schools in our region that may be able to offer those subjects. We also have access to a wide range of subjects available through Open Access College. Students are also able to undertake VET Courses and School- Based Apprenticeships.

As we plan for the 2021 school year, we are glad to provide an opportunity for families and students to meet with both myself and Mrs Vandeleur, to discuss the subject options available. This will be happening in early Term 4. Please keep an eye out for more information over the coming weeks.

If you have any questions regarding subjects or secondary schooling, please do not hesitate to contact either myself or Mrs Vandeleur.

Secondary Coordinator
