20th November 2020

Dear Parent/Caregiver,

The Premier today announced that schools and preschools will reopen to all students on Monday 23rd November.

As a result our Tintinara Area School & Preschool will be open and operating as normal.

We will not be offering an alternative home-based learning program.

As the Chief Public Health Officer said, just because the hard lockdown is being lifted does not mean that the risks associated with COVID-19 have passed. As a result we will minimise the number of people coming and going from our site.

Please continue to drop and collect your child at the gate and maintain the appropriate physical distance from other adults.

More information on excursions, events and sporting activities, and use of masks will be available soon.

Thank you very much for your support over the last couple of days. We look forward to having your child back at Tintinara Area School on Monday.

Regards,

Jacqui Vandeleur

Acting Principal
