3<sup>rd</sup> June 2021

Dear Parents, Caregivers, Students and Community Members

At the beginning of Term 3 our Acting Principal Mrs Jacqui Vandeleur enthusiastically stepped up to fill the role of Principal on a temporary basis up until the present time. During this time she has seen the completion of numerous projects has some new ones up and coming, filled staff vacancies and implemented new learning programs to give us a school we can all be proud of.

The position was advertised at the end of last term and I am pleased to announce that Jacqui was successful in securing the job. I trust that the school community will embrace Jacqui as our new Principal and we can all work with her to grow the school and make TAS an even better place.

WELL DONE JACQUI

Adrian Wait

Governing Council Chairperson
