News from the Principal

Wow – where to start. What a whirlwind of a few weeks we have had with the dreaded ‘vid’ coming to the Tint. I know Covid has impacted upon a lot of our community, particularly our students and staff and I applaud you all for following advice from both the school and SA Health. These directions are in place for a reason-

to keep our community safe. Although Covid is part of our lives now, we will continue to provide a safe and hygienic environment for our students. Please continue to monitor your child(ren) for symptoms and continue to keep them away from school even if they have mild symptoms.

It was great to see so many students giving it their all at our recent ‘in house’ Sports Day. Although lots had recently been affected by Covid and were ‘running’ at half speed – their desire to get involved and have a go is to be commended. The feel was definitely different to other years, however the sportsmanship, encouragement and cheering that went on throughout the day was brilliant. Please find some fantastic footage of the day on our Instagram page @tintinara_as. There is a highlight folder which showcases many of the events of the day. We now look forward to Interschool Sports Day which will be at the town oval on Tuesday (29th).

Last Tuesday we saw around a dozen students participate in Interschool Swimming at Murray Bridge. From parent and staff accounts the day was a great success, with records broken and Mae Whitford and Emily Sanders taking out swimmer of the meet for their age group.

We also recently had our Leaders and House Captain induction at an informal assembly. It was pleasing to see the students who were elected into these positions take such pride in the afternoon and the positions that they now hold. I hope that they continue to remember that a true leader has the confidence to stand alone, the courage to make

tough decisions and the compassion to listen to others in need. I also presented quite a few Principal awards and it was wonderful to see so many of our students achieve one of these awards.

School photos have been booked for early in Term 2 and we welcome Abbie Kelsall from ‘A Forever Moment’ photography who will be taking our school photos this year. We thank families for their feedback over the previous years and look forward to seeing what Abbie will produce this year.

On my daily walk arounds and check ins it has been so good to see the students engaged in learning before the ‘teaching’ day even starts. Chess has continued to be a huge hit with students and Mr Mill and his 8 ‘champion chess players’ venture off to Adelaide in a week to participate in the chess tournament at Mawson Lakes. We hope that all 8 students go well during this competition.

A reminder that school interviews will take place this week- Tuesday and Wednesday night- and for some staff on Thursday. If you would prefer to have your interview with your child’s teacher via phone instead of face to face, please ensure you have contacted your child’s class teacher before your booked time.

Please continue to look after yourselves and your families and keep safe and healthy.

Regards

Jacqui Vandeleur

Meet the TAS team!

GET TO KNOW THE NEW STAFF AT OUR SCHOOL!

Name: Emily Richardson

What is your role here at TAS? Primary P.E (Foundation- 6)

What do you enjoy most about your role so far? I am really enjoying creating positive relationships with the students. I have one student who says after each activity "that was so much fun." I love being able to bring happiness and fun for some students through P.E.

What do you like to do outside of school? Spend time with my family and friends, play sport- netball and basketball, go to the river; I enjoy skiing, listen to live music and be in the garden.

What was your favorite subject at school? I loved P.E, Maths and Accounting (as I got into the senior years). Looking back now, I realise I enjoyed those subjects not because of what I was getting taught, but because of the teachers. When I think of accounting I instantly think of Mrs Harman, my Yr 11 & 12 accounting teacher.

What is your favorite food? I love Vietnamese and Thai, but I also enjoy a good steak (eye fillet or scotch fillet). I am a closet or not so closet chocoholic which I desperately try to rid myself of, but to no avail.

What is your favorite quote to live by? I don't really have a quote that I live by, but I remember this came to me right when life and life's struggles were happening and it hit home...

"I'm thankful for my struggle because without it I wouldn't have stumbled across my strength"

If you could travel anywhere right now, where would you go? I want to get in a motor home and drive up an Australian coast (probably West at the moment) with the kids for a while. Slow down, take in all that Australia has to offer.

Name: Lucy Dow

What is your role here at TAS? SSO- classroom support and Occasional care

What do you enjoy most about your role so far? I love spending time in the classroom with the children and helping them learn new things.

What do you like to do outside of school? Spending time with friends and family. Playing netball and tennis. Going to the gym. Spending time at our family river shack. Like being home and working on the farm.

What was your favorite subject at school? PE and Child studies.

What is your favorite food? Pasta or curry, I don't really have a favorite.

What is your favorite quote to live by? "Life is not always perfect. Like a road, it has many bends, ups and downs, but that's its beauty."

If you could travel anywhere right now, where would you go? Italy

Preschool Happenings

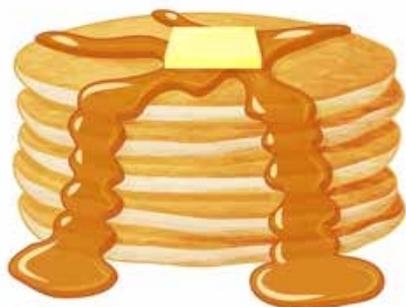

We have acquired some baby Stick Insects in Preschool. We visit the school chicks and observe them as they grow. We were excited to see our broccoli seeds and corn sprout quickly. We have lots of opportunities to notice and discuss change in our environment.

We enjoy playing board games together which helps us learn counting, sharing and taking turns.

We made pancakes for Shrove Tuesday, scrambled eggs with a garnish from our vegetable patch and we even made our own puffy paint. It was fun to celebrate Harmony Day with the Occasional Care children.

Preschool Teacher

Stepping Towards Secondary

The students are continuing to enjoy their jam-packed Term, with many different things happening before the holidays. Agriculture is going along smoothly and there have been some exciting things that have occurred in the Ag block over the past few weeks. The students will also head on their first Outdoor Ed hike in Week 10 to Tyms Lookout.

This year Tintinara Area School are also offering all of our Secondary students the opportunity to complete their Senior First Aid Training. We believe this is an imperative skill for our students to have and a great opportunity for them to stand out over others when applying for employment. The School will cover the cost of the course and the training lasts for 3 years. This will be happening for the Year 7/8 class on Thursday and the Year 9-12 classes on Friday.

We look forward to bringing you more exciting news from the Secondary School in Term 2. Enjoy the holidays and stay safe.

Interschool Swimming

This year we had 14 swimmers represent TAS at interschool swimming. This group of students were amazing representatives for our school, their families and community and all displayed tremendous sportsmanship, teamwork and determination. Some of these swimmers had just returned to school from being home sick and are to be commended for the effort they put in.

Congratulations to Emily Sanders (10 year old girl) and Mae Whitford (13 year old girl) who were awarded individual age group champions. Congratulations also to Hudson Hooper and Annie Vowles who both broke the Breaststroke records in the 11 year old age group and a big congratulations to Mae Whitford who broke all four of her individual race records.

I would also like to say a massive thankyou to all the parent helpers who readily assisted with anything I asked of them on the day. I was really appreciative of their help and support.

Emily Richardson
PE Teacher

Home Economics

The Year 3 class made delicious sandwiches made from parts of plants. We learned about the different parts- stems, roots, flowers, leaves and fruit.

Did you know that broccoli is a flower? We didn't!

The 7/8 Home Economics class as part of a wider unit of work *Paddock to Pack Snack Safari*, had the task to create a healthy snack. The Design Brief was to design and make a delicious grain/plant rich snack to eat for recess. The products ranged from ANZAC biscuits, apricot balls, raspberry bliss balls to an oaty coconut slice and a mango coconut slice.

Students were required to complete their Design Brief with details of each stage of designing, preparing and evaluation. The class worked well towards completing their practical.

School News

AG News

A big thank you to Josh Richardson and Simon McCabe for giving up their time to come in and shear the school wethers, in the lead up to Adelaide show. Our Year 7/8 & 9/10's were given the opportunity to have a shear, with expert assistance. The students learnt the process of separating the fleece and a general overview on wool quality and pricing.

Our junior years enjoyed watching the shearing through the fence, as some have never seen the process in real life.

Wellbeing

This year, we will continue to run our much-loved Breakfast Club for students at TAS each morning. Our students thoroughly enjoy starting their day having breakfast with their friends as they prepare for a day of learning.

We would like to acknowledge the fantastic support we receive from 'Kickstart for Kids' who make this possible by donating the majority of the supplies to our school, along with fresh fruit for Recess. It is also great to see our SRC students getting involved to help staff serve breakfast each day.

HARMONY WEEK!

Harmony Week celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone.

On Wednesday the 23rd of March the SRC held Harmony Day at school. At lunch we organised an orange themed photobooth for all the students and teachers to put some costumes on and have fun with people from all different ages.

Title: *Dirt Town*
Author: Hayley SCRIVENOR
Genre: *Crime / Thriller*

'A heart-wrenching mystery . . . A stellar debut.' Jane Harper

In Hayley Scrivenor's *Dirt Town*, a small-town debut mystery described as *The Dry* meets *Everything I Never Told You*, a girl goes missing and a community falls apart and comes together.

When twelve-year-old Esther disappears on the way home from school in a small town in rural Australia, the community is thrown into a maelstrom of suspicion and grief. As Detective Sergeant Sarah Michaels arrives in town during the hottest spring in decades and begins her investigation, Esther's tenacious best friend, Ronnie, is determined to find Esther and bring her home.

When schoolfriend Lewis tells Ronnie that he saw Esther with a strange man at the creek the afternoon she went missing, Ronnie feels she is one step closer to finding her. But why is Lewis refusing to speak to the police? And who else is lying about how much they know about what has happened to Esther?

Punctuated by a collective chorus, which gives voice to the remaining children of the small, dying town, this novel explores the ties that bind, what we try and leave behind us, and what we can never outrun, while never losing sight of the question of what happened to Esther, and what her loss does to a whole town.
