STUDENT MOBILE PHONE (YONDR) INFORMATION

TOGETHER ACHIEVE SUCCESS

Mobile phones are not to be used during school hours without teacher permission. At the beginning of the school year, every student who brings a mobile phone to school will be assigned a personal Yondr Pouch with an ID Number, similar to being assigned a textbook. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their pouch with them to school every day. Failure to do so will require the student to turn their phone off and hand in to the Front Office for the duration of the school day.

Process

School Entrance: As students enter the school, they will:

- 1) Turn their phone off.
- 2) Unlock their empty Yondr Pouch using an Unlocking Base at the bus bay/front office.
- 3) Place their phone inside the pouch, securely close it and store in their backpack.

Each student will maintain possession of their Mobile phone inside their Yondr Pouch for the duration of the school day.

School Exit: As students exit the bus bay/front office at the end of the school day, they will:

- 1) Unlock their pouch using an Unlocking Base at the bus bay/front office.
- 2) Remove their phone from their pouch.
- 3) Securely close their empty pouch and place it in their backpack for the next day.

Consequences

Below are a list of potential student consequences. Each of these consequences may result in the student's phone and/or pouch being confiscated by school leadership.

- 1) Physical damage to the pouch in an attempt to circumvent its intended purpose. (Ex: Bent pin or stripped lock inside the pouch)
- 2) Forgetting or losing the pouch.
- 3) Using their phone during school hours.

Disciplinary Action

- 1) Phone+Pouch will be confiscated and parent/guardian will be notified.
- 2) The student will only be issued a new pouch if they or their parent/guardian pay a \$10 fee to replace the damaged school property.
